GATES'

Acadian Liniment

Is a well known vegetable compound, possessing a well concentrated combination of soothing and healing virtues, and has been extensively used throughout Nova Scotia for a number of years, and has proved itself to be one of the best articles in use for internal and external diseases; Information or pains seated in any part of the body;

Diarrhœa;	Bites and Stings of Insects;
Dysentery;	Colds and Coughs;
Chilblains;	Toothache.

For Diphtheria and Sore Throat it has particularly proved itself to be the best article in use, having saved the lives of numbers of children and adults, especially during the past two years, when it has been so prevalent. It is equally effectual for Quinsy, and for

Sick Headache;	Sprains;
Rheumatism;	Felons;
Pleurisy;	Etc.

For Spinal Diseases or Affection of the Spine it should be used in connection with the Nerve Ointment.

It will cure a Horse's Dough; Cuts and Wounds of every description, on man and beast, like magic; as well as all ailments for which Liniments are used. This preparation is recommended as a perfectly safe remedy, being entirely free from the opening ingredients so commonly found in popular Liniments which render the patient so liable to take cold, which they invariably do. For internal use as a gargle it should be diluted with water.

Sold everywhere at 25 cts. per bottle.

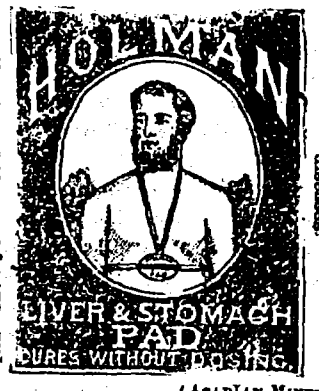
Diphtheria & Summer Complaint now very prevalent. Puton Holman Pad and save your little ones lives.



It is the only sure and speedy remedy for all liver diseases.

ACADIAN MINES, December 16, 1880.

TO HOLMAN PAD CO., 116 Hollis St., Halifax.

GENTLEMEN, I suffered for many years from an impaired digestion an evil which rendered me anything but an agreeable companion. At times, during an especially bad attack the pain in the region of the heart would be terrible, causing me to become insensible in a moment. I tried any remedies, but without any permanent benefit; my last estate would be invariably worse than the first, until I concluded to try one of the Holman Liver Pads. During the first two weeks of wearing it, I thought it was like the many other remedies I had tried, unable to reach my case, but then I gradually began to grow better, a fact I realized in being able to lie upon my left side for quite a long time without inconvenience. I continued wearing the Pad, and were it only in day time for two months longer; at the end of which time I ceased to be troubled with indigestion altogether, and spasms at region of heart are but of very rare occurrence, and these I have no doubt, will ultimately cease. Perhaps a little further information from you on this point would be ten this desirable end. Without troubling you with further details of my complaint and sufferings, I have only to add that I can confidently recommend the Holman Liver Pad and Remedies from personal experience of the benefits derived from their use. And I consider that I cannot overstate their value to those similarly afflicted as I have been.

Yours faithfully,

C. C. PRESTON.

Havill's Lung Healer.

This LUNG HEALER combines within itself the following valuable and exquisite qualities:—

First.—Immediately subdues all irritations in the air vessels and lungs, from whatever cause arising. It operates by dissolving the tough and viscid phlegm, and causing a free expectoration.

Second.—In ASTHMA, this medicine acts like a specific, and it is impossible to describe the almost miraculous effect it has had on many persons affected with this complaint.

Third.—PULMONARY CONSUMPTION.—To those who are suffering under this malady, this medicine will be found invaluable. It almost instantly relieves the most distressing Cough, Pain in the Chest, Difficulty in Breathing &c., and communicates new energy to the oppressed pulmonary organs, so that they are enabled to throw off the morbid matter which oppresses them.

Fourth.—For the complaints of Infancy and childhood, such as Teething, Common Coughs, from Colds, Whooping &c., it is peculiarly adapted, being both agreeable to the palate, and perfectly safe when administered, and more effectual than any medicine at present known, in quickly giving soothing relief in the most aggravated cases.

TESTIMONIALS:

Mr. Havill:

DEAR SIR,—It is with pleasure that I add my testimony to your list in favor of your LUNG HEALER. I had a very bad cough and pain in my lungs; I procured a bottle of your LUNG HEALER and it gave me immediate relief, and in a few days the cough was completely gone. I feel I cannot say too much in favor of your valuable medicine and, as occasion gives, I advocate its use on all suitable occasions. There are several persons taking it through my recommendation, and in every instance with a favorable result.

Yours most respectfully,

(Signed) JOHN W. BLACKLEY.

HALIFAX, N.S., March 25th, 1880.

Mr. Havill:

DEAR SIR,—For the last 10 or 12 years I have suffered greatly from Asthma, having an attack every few weeks, but last November I was induced to give Havill's LUNG HEALER a trial, and I did so, with very good results. It gave me immediate relief, and I am happy to state that I have not felt it since. I can therefore, well recommend it as a sure cure for Asthma, and also for cold and all diseases of the lungs, as I have seen its cure in our own family.

Yours respectfully,

J. I. CHASE.
