

Active business men need some form of recreation which will take their minds completely away from office cares. Mere **passive** entertainment is not enough—they want to be active even in their pleasures.

THE **PIANOLA PIANO** OR A

METROSTYLE PIANOLA

ATTACHED TO ANY PIANO

supplies just the kind of mental diversion that overtaxed business men ought to have in their leisure hours. Music is a great tonic and stimulant—but more especially when you have a hand in the making of it yourself.

Business men who find the cares of a strenuous life bearing heavily upon them should investigate these **most wonderful of all instruments** for their own good as well as for the great pleasure they will bring to every member of the family.

The foremost musicians of the world have said they would not give serious consideration to any Piano-player that was without the **Metrostyle**, and it is scarcely understandable that any person would be willing to invest a substantial sum in an instrument of this type not equipped with this vital improvement.

The Price of Metrostyle Pianolas is - - \$275

The Price of Pianola Pianos is from \$600 to \$1,000

Purchasable on moderate monthly payments if desired, and are on daily demonstration to the public, irrespective of any intention to purchase, **only at**
