

In beauty nothing in footwear approaches "Queen Quality" shoes. They are designed on artistic graceful lines and exquisitely modeled, with the handsomest and most fashionable leathers and the most skilful fashioning. Every point just right with the character of a high-class shoe. They are made in special shapes to give comfort and a graceful, stylish appearance to every type of foot—long or short, thick or thin.

We offer for your choosing many different styles of boots, each of them in all the various lasts.
