

Read, Mark, Learn.

"I have read with great interest 'The Royal Road to Latin.' I have long believed that there was such a road. The old method I have decided as stupid and unproductive. I am an M. A. and a D. D., and have read most of the ordinary classics, but I should have to puzzle over any new book of Latin, while I have put enough work on it to master three languages."

REV. R. F. AL—, M. A., D.D.,
Brooklyn, N. Y.

"To-day a copy of your 'Royal Road to Latin,' has come to my notice, and I am so fully persuaded that such a method is possible, and that you have it, that I am anxious to see it and begin work. From time to time, within the last fifteen years; I have tried to do something in Latin, but to-day I have very little to show for my efforts."

REV. H. KER—, Detroit, Mich.
