

If, during the review at the end of thirty months, the total benefits of all experimental transborder air services programs established by our two countries are found to have accrued disproportionately to one of the countries, any appropriate adjustments shall be made.

In providing services under this Programme the operating airline or airlines shall be subject to the obligations and entitled to the privileges embodied in Article III (d), VIII, IX, X and XI of the 1966 Agreement.

If the foregoing is acceptable to the Government of the United States of America, I propose that this letter, which is authentic in English and French, together with your reply to that effect, shall constitute an agreement between our two governments which shall enter into force on the date of your reply and shall supercede the agreement of August 21, 1984.

Yours sincerely,

ALLAN GOTLIEB
Ambassador

The Honourable Elizabeth H. Dole,
Secretary of Transportation,
Washington.
