Article 11

1. The Textiles Committee shall establish a Textiles Surveillance Body to supervise the implementation of this Arrangement. It shall consist of a Chairman and eight members to be appointed by the parties to this Arrangement on a basis to be determined by the Textiles Committee so as to ensure its efficient operation. In order to keep its membership balanced and broadly representative of the parties to this Arrangement provision shall be made for rotation of the members as appropriate.

2. The Textiles Surveillance Body shall be considered as a standing body and shall meet as necessary to carry out the functions required of it under this Arrangement. It shall rely on information to be supplied by the participating countries, supplemented by any necessary details and clarification it may decide to seek from them or from other sources. Further, it may rely for technical assistance on the services of the GATT secretariat and may also hear technical experts proposed by one or more of its members.

3. The Textiles Surveillance Body shall take the action specifically required of it in articles of this Arrangement.

4. In the absence of any mutually agreed solution in bilateral negotiations or consultations between participating countries provided for in this Arrangement, the Textiles Surveillance Body at the request of either party, and following a thorough and prompt consideration of the matter, shall make recommendations to the parties concerned.

5. The Textiles Surveillance Body shall, at the request of any participating country, review promptly any particular measures or arrangements which that country considers to be detrimental to its interests where consultations between it and the participating countries directly concerned have failed to produce a satisfactory solution. It shall make recommendations as appropriate to the participating country or countries concerned.
