

ANNEX

*Addition of a fourth paragraph to Article I*

The scientists shall make assessments of the condition of stocks involved in the operations of the fishing vessels of the two countries and, on the basis of scientific evidence, shall make such joint recommendations to the two Governments as may be necessary to ensure conservation of those stocks.

*Addition of a second paragraph to Article VI*

The Government of Canada will permit scientific research vessels of the Union of Soviet Socialist Republics engaged in co-operative investigations under the terms of this Agreement to call at the ports of Prince Rupert, Vancouver and Nanaimo, British Columbia, in accordance with the customs and immigration laws of Canada, for the same purpose, and, in addition, for the purposes stated in Article I of this Agreement.
