Dear Sir:-

I beg to acknowledge receipt of your letter of the 16th inst. enclosing manuscript entitled "Chapters of Archaic History".

We appreciate the fact that you have thought of McGill University and that you are willing to entrust to us the results of your work. It is of course impossible to say what disposal we can make of it until there has been an opportunity for perusal. We shall arrange for its examination by the proper department of the University and advise you of the result.

Yours faithfully,

Wilfrid Bovey.
