The World Conference in France, 1932**

“TOWARDS A NEW EDUCATION”

*The Report of the Fifth
World Conference of the
NEW EDUCATION
FELLOWSHIP held at
Elsinore - - - 1929*

Sir MICHAEL SADLER writes :

“It is no exaggeration to say that this book contains the truest account available anywhere of the various currents of progressive educational thought in the world at this critical time . . . Teachers, students and parents will find this book abundantly worth their while.”
