O'DONNEL;

A NATIONAL IRISH TALE.

BY LADY MORGAN.

" 'O'Donnel,' one of the best works in our language."—*Morning Chronicle*.

" For masculine vigour, originality of thought, and penetration, Lady Morgan stands first on the list of female writers."—*Morning Chronicle*.

" Assuredly the public benefit by the new fashion of cheap reprints. Here is 'O'Donnel,' one of the cleverest works of a clever writer, offered in an elegant volume, with Portrait and Preface, for SIX SHILLINGS."—*Athenæum*.

FLORENCE MACARTHY.

AN IRISH TALE.

BY THE AUTHORESS OF "O'DONNEL."

" 'Florence Macarthy' contains sketches of Irish characters, political and national, some of which are as remarkable for their fidelity as personal portraits, as the others are striking from their characteristic truth. This Irish picture gallery embraces both the aristocracy and democracy of the country—the former painted with the pencil of an artist, who has long had opportunities of observation, as well as the skill to delineate; and the groups of the lower class are drawn with the force and freedom of Miss Edgeworth, and with more than her brilliancy and accuracy."—*Morning Chronicle*.

RICHELIEU;

A TALE OF FRANCE.

BY G. R. P. JAMES, ESQ.

" This new and striking story of the French court commences with the last year of the reign, as it may be termed, of the Cardinal de Richelieu, who governed not only Louis XIII., but all France, with a despotic and resistless sway. Among the numerous characters introduced are the king; his consort, Anne of Austria; her majesty's *dame d'honneur*, Clara de Hauteford, a former flame of the king's; the Duc d'Orleans; the cardinal's great friend and coadjutor, Chavigni; their corrupt tool, Lafemas, the Marquis de Fontrailles; Cinq-Mars; de Thou, &c. The ostensible hero is the Count de Blenau, chamberlain to the queen; the heroine Mademoiselle de Beaumont."—*Morning Journal*.

" We congratulate Mr. James no less on the judgment which has chosen the subject, than on the talent which has developed it. The eventful days of Richelieu are an admirable period, quite untrodden ground, and abounding in events of every species of the picturesque, the terrible, the mysterious, and the romantic. We dismiss Mr. James with a most cordial commendation for having produced a very superior work, and one well calculated for extensive popularity."—*Literary Gazette*.
