CATTLE TRADE SLOW

Price of Grain Too High to Allow Very Long Finishing Process.

ceipts of live stock at the Union Stock Yards on Tuesday were 78 carloads, comprising 1131 cattle, 1337 hogs, 100 sheep and lambs, 205 calves and 11 horses. Not many good or choice cattle were on sale, the bulk being of the common and medium classes. The farmers, as a rule, are not finishing their cattle, as the price of grain is too high, and consequently the majority of the cattle are being marketed when scarcely half fatter to the consequently the majority of the cattle are being marketed when scarcely half fatter to the confesh, being what is styled warmed-up

IMPLEMENT COMPANIES HAD VERY POOR YEAR

Surplus Was Largely Drawn Upon.

Implement manufacturers in Canada had to contend last year with the special conditions arising from a poor crop in the west, in addition to a general trade depression accentuated by the war. That the effect on the earnings of the companies was even worse than was expected is shown in the annual statement of

ed is shown in the annual statement of the Sawyer Massey Co., Ltd., which reports a loss of \$.06,802 on operations for the year ending Nov. 30 last, and a deficit of \$333,023 after meeting fixed charges and making partial payment of the cumulative preferred stock dividend, which was suspended in mid-year.

The year's deficit of \$333,023 compared with surpluses of \$11,530 and \$103,911, respectively, in the two years immediately preceding, when full dividends were paid on the \$1,500,000 preferred stock. The surplus balance, which stood at \$372,263 at the beginning of the year, is drawn down to \$39,244.
