Reberts, Howard Bridgeman and Walter R. Rea; treasurer of the household, James Hope; vice-chamberlain of the household, Arthur C. T. Beck, and comptroller of Arthur C. T. Beck, and comptroller the household, Charles H. Roberts.

# **RUSSIANS FIGHT** A GERMAN HORDE

Battle of Extraordinary Intensity is Proceeding on Eastern Front.

### LOSSES IN THOUSANDS

Germans Are Making a Desperate Effort to Retake Peremysl.

(Continued From Page 1). 14th Gen Mackensen began to hurl his army against our positions be-tween the Ribers Lubaczow and San. Concurrently hundreds of thousands of infantry, supported by a thousand guns of various calibres, well supplied with ammunition, attacked our trenches on the left bank of the San, in the direction of Radymno and Dro-govitch, on a front of 15 miles.

Whole Armies Used.

"Gen. Mackensen, in endeavoring to turn our line at Peremysl, is repeating the manoeuvre which he practiced at beginning of November in front of Lodz, when his army broke our while at the same time an attempt was made to turn us with his left and Brzeziny, flank. The same manoeuvre is being now, but on a larger scale, not with isolated corps, but with whole armies, which are slower moving. Gen. Mackensen's manoeuvre still is incomplete, altho some of his infantry regiments already have lost

turned Peremysl from the south, have been wiped out near Gousskow in a vain attempt to pierce our front, while Gen. Irmanoff, the hero of Port. Arthur, crushed the garrison of Laisseoc behind Mackensen's army on the little Seniawa, seizing trophies and cattle intended for the revictual-

HELD MASS MEETING

Public Feeling Aroused Regarding Insurance of Soldiers.

Miller should be taxed at the price he tried to sell his land for a park."

"I sincerely hope the York Eown-ship Council will a sincerely hope the York Eown-ship Council will a sincerely hope the Suring the said: "I am strongly in favor of inship Council will do its duty by the ship. government will do its duty, and the city will do its part," said Ald. Sam Ryding, addressing a meeting of the out with their scheme a month ago; but Mr. Miller said the council would auspices of the Silverthorn Liberal-Conservative Association, in the Royal George Theatre Sunday evening. "I believe that if the insurance was paid, 99 out of every 100 widows are capable to the fact that no provision was made for the soldiers in the last war. of putting it to good advantage, par-ticularly if they have little children. A mass meeting will be arranged for

later, when the matter will be thoroly I. C. Woolner said. "The York Town-ship Council should come out with its program. We cannot discuss the Wants Definite Statemen program. We cannot discuss the council's scheme until we know what it is. My reasons for pressing the matter is that the Metropolitan Insurance Company has promised to insure 300 men from the township for the sum of \$23,000. This offer expires on sum of \$23,000. This offer expires on May 31, and the township council has done nothing. We would be clear of the liability in from two to three years if we accept the offer, but on the other hand, Swansea and Mount Dennis are discussing apparation, and still is incomplete, altho some of his infantry regiments already have lost three-quarters of their effectives.

"Austro-German armies, which were to have met Gen. Mackenen and turned Peremysl from the south, have been wiped out near Gousskow in a vain attempt to pierce our front, while Gen. Irmanoff, the hero of Port Arthur, crushed the garrison of Laisseoc behind Mackensen's army on the little Seniawa, seizing trophies

# FROM NEW TORONTO

Rate on Sliding Scale According to Quantity Used-Ammunition Inspector Appointed.

Miles Hall, Silverthorn avenue, will be the scene of an interesting debate on Friday May 23th, when L. C. Woolner of Runnymede will debfiate the question of soldiers insurance with First Deputy Reeve Fred H. Miller. Mr. Miller is the challenger, having taken exception to Mr. Woolner's speech regarding the township council's refusal to take any action to At a special meeting of Mimico Council, it was practically agreed to accept the terms of New Toronto for the supply of water from the system the supply of water from the system of that municipality, the rates being 8c per 1.000 gallons up to 50,000; 7½c from 50,000 up to 100,000, and 7c for all in excess of 100,000.

An agreement will be entered into, and plans prepared for the sanction of the provincial board of health. It is proposed to instal a meter in each residence and place of business to re-

residence and place of business to register the consumption. Ultimately the village will require about 50,000 gallons per day, according to the estimate prepared. Inspectator Appointed.
