

# MELVILLE

## IS THE PLACE FOR YOU

EVERYBODY who has ever invested a dollar in Melville property has made good, because there were good reasons why this thriving city-like town should go ahead.

Just to show you what kind of a live-wire town Melville is, here are some things that have happened lately:

1. The G.T.P. have enlarged their roundhouse.
2. The G.T.P. are installing a car repair shop.
3. The city have installed a complete waterworks plant.
4. The city have built an electrical power plant.
5. A big flour mill is being constructed.
6. Melville now has three public schools.
7. The Lutheran College will soon be built.
8. A number of wholesalers will locate here in the spring.
9. Crops around Melville are abundant.
10. Everybody here is making good.
11. Melville is the most important divisional point on the main line of the G.T.P.

If you wish a safe, sure and sound investment—one that you will be proud of invest in Melville property.

See illustration, page 27, and description of Melville and District on pages 32 and 50.
