to them, they will instantly grasp the expressed is permanently photographed on their minds.

Children soon learn to love the Bible which is now being distributed by The World, for it is literally filled with pictures from cover to cover. These are not ordinary embellishments such as are usually found in so-called illustrated Bibles, but each picture is specially drawn with a thought behind it—the dominant idea being to make plain the particular verse which the picture accompanies. Think what this means to the "grown-ups" as well as the children. the children.

Educators all say that pictures are

When a Man Marries

WHEN a man marries he quickly discovers his need of innumerable things he had never thought of before.

And the butcher, the baker and the cabinet maker have a new home to supply.

The new husband and wife must buy things to which they had previously given little thought. A thousand marriages mean a thousand new

homes. Right here is a fact overlooked by many

They say, "How could it pay us to keep on repeating the story of our goods or service?"

merchants.

If they could reach every possible customer with one advertisement and if people didn't forget there might be no object in "keeping ever-lastingly at it."

But because every possible customer does not read every advertisement, you must repeat.

And because these thousands of new homes are every day coming into existence, continuous advertising brings increased results.

Perhaps some people knew your goods or your store five or ten years ago. Since then new generations have come into existence.

The boy of to-day is the man who will sign the cheques to-morrow. Today your advertisements are of small interest to him. To-morrow he is your customer, if you solicit his trade through advertising.

Every day thousands of people discover for the first time their need of your kind of goods.

Will you be there every day with your bid for their business? Or will you leave the field to your

Advertising is the key that opens the door of these new homes to your goods.

Is Advertising on your key-ring?

Advice regarding your advertising problems is available through any good advertising agency or the Secretary of the Canadian Press Association, Room 503, Lumsden Building, Toronto. Enquiry involves no obligation on your part—so write if interested
