1 dry marker.
1 package of whitening.
And 1 rule book.
Price, \$14.75.

Think of the Exhilaration of a Trip to the Country on a Bicycle

Up and Down Hills, Through Villages You Have Never Seen Before

past beautiful fields, through the woods, and, best of all, to rest under a shady tree or by "a bubbling brook" or a lovely little creek, and partake of the welcome lunch.

If artistically inclined, think of the wealth of material for inspiration—the quaint farm cottages, the ravines, the woods, and you're there in no time on a "wheel," setting up your easel and sketching to your heart's content.

Think of what it was like last year when the fellows all took their wheels on a Saturday afternoon and went far out into the country to the swimming hole, while those without a wheel were left at home to roam around and wish for one.

Then on a week day what a relief to be independent of street cars, with a bicycle to carry you to and from work. Think of the car fares. There's a saving of time and money.

And the bicycle of today is the acme of comfort and easy riding. No bumps—the new springy saddle accounts for that.

The new model of the Road King is especially suited for city work. It is light, yet very strong, and will stand no end of hard usage. It is fitted with studded tires guaranteed for two years, extension handle bars, roller chain, three-coil saddle, steel mud guards and a guaranteed coaster brake. These machines are guaranteed for one year. They're assembled in our own workroom, and we recommend them. The price is \$37.50.

Equally well suited for city work, but better suited for work on the rough country roads, is our Speedwell Truss Frame Model. The double cross-bar and truss fork give added strength to this model. The frame is enamelled black with a gilt stripe. The mud-guards are of the motorcycle type with drop sides. It is fitted with the well-known Kelly handle-bars and leather grips, a high-grade roller chain, an easy-riding, three-coil saddle, Dunlop Traction-Tread tires and an Eadie coaster brake. This bicycle is also equipped with a tool-bag containing wrench, oilcan and a repair outfit. The price is \$50.00.

Perhaps You Already Have a Bicycle, But Require a Few Accessories to Put It in Running Order

Electric Bicycle Lamp, with 4-inch bulls-eye lens and two batteries; shows good clear light. Each, \$2.50.

Built-up Bicycle Wheels, front 28 x 1½, with natural wood rim and concave front hub, \$3.00 each.

Rear Wheel, with guaranteed coaster brake, 28 x 1½, natural wood rim. Each, \$7.50.

Telescopic Frame Pump. Clips on frame. Complete with rubber connection, 75c.

Special Inner Tube, of heavy rubber with cotton back and Schrader valve. Each, \$1.75.
