TWO HOCKEY RESOLUTIONS ADOPTED BY C.A.H. LEAGUE

Direct Attack on New Federal League—Officers Elected at Annual Meeting.

Montreal, Dec. 13.—At the annual meeting of the Canadian Amateur Hockey League, which was held here Saturday evening, the following delegates were in attendance: Montreal, Harry Shaw; Victoria, F. M. McRobie and Percy Molson; Shamrocks, H. J. Trihey and H. McLaughlin; Ottawa, R. T. Shillington and J. P. Dickson; Quebec, H. E. Scott and F. R. Stocking.

The meeting was brought to order with President Trihey in the chair. After the minutes of the last meeting were read and the secretary's and treasurer's reports adopted, a letter from Dawson City was read, asking clubs for dates for exhibition matches. The election of officers resulted as follows:

President, H. J. Trihey, Shamrocks; first vice-president, F. S. Stocking, Quebec; second vice-president, J. P. Dickson, Ottawa; hon. secretary-treasurer, F. M. McRobie, Ottawa. Then the discussion of the Federal Amateur Hockey League took place. At first the different delegates were very guarded in their remarks, as none of them wished to start the ball rolling. Gradually, however, they warmed up, and a crusade was started against the F.A.H.L. Two resolutions were moved and passed, which are as follows:

"That no player shall be allowed to play in the Amateur C.A.H.L. who has played for a senior team in any other senior league in the same season, unless by a two-thirds vote of the executive."

"That officials of clubs competing in the C.A.H.L. be recommended not to act in any capacity in the senior contests of other leagues during the championship season."

It will be seen that altho no other senior league's name is mentioned it is a direct attack on the F.A.H.L. The latter's resolution was that no player could return to the F.A.H.L. after playing with any other league, but the C.A.H.L. go a step further, and will not allow any player to play with them at all.

They then request that they corner the market on referees, umpires and time-keepers. Some of the delegates were in favor of the F.A.H.L., while some of them were for ignoring them altogether. A suggestion about a Board of Referees was also brought up, but, as the lacrosse and football teams had not found it to work satisfactorily, it was thrown out.

Princeton Strong at Hockey.

New York, Dec. 13.—Princeton's hockey players gave the crack seven of the hockey club of New York a surprise in a match game at the St. Nicholas Rink last night. The local men expected to win easily, but they had to exert themselves to the utmost to obtain a victorious decision by a score of two goals to one. Considering the fact that the Jersey collegians were making their first appearance on the ice in competition, their work was remarkable. Their defensive play was very effective, particularly in the first half, during which period the visitors prevented the New Yorkers from making a tally. The line-up:

Hockey Club (2)—Goal, Elligan; point, Corey; cover-point, Newbury; forwards, Russell Phillips, De Casanova, Hazelton.

Princeton (1)—Goal, Chislett; point, King; cover-point, Jahneiser; forwards, Leake, Purnell, Dallmyer, Chew.

Referee—Buster Hayward, St. Nicholas Skating Club.

O.R.F.U. ANNUAL MEETING OFFICERS BY ACCLAMATION

Proxy Votes Ruled Out by Credential Committee—Good Financial Showing.

There was a good attendance at the annual meeting of the Ontario Rugby Football Union Saturday in the Rossin House, considerable interest being centred in the contest anticipated for the secretaryship. But the Credential Committee sprung a surprise on Billy Morrison, the opposition candidate, by turning down his proxy votes that his friends believed would have secured his election, and thus Mr. Morrison refused to allow his name to go before the meeting. All the offices were filled by acclamation. All the amendments to the playing rules were adopted, except the proposition to re-adjust the system of scoring.

The meeting sustained the executive's action in not joining the C.A.A.U.

Secretary Frank D. Woodworth was voted an honorarium of $125 for his splendid services during the season.

A resolution was passed instructing the president to appoint a committee of four to co-operate with committees appointed by other sporting organizations for the purpose of forming a body to deal with the amateur status of protested players.

An amendment was made to the rules to the effect that a try shall count five points.

The constitution was changed so that all proposed amendments to the playing rules and competition must be handed to the secretary in writing two weeks before the annual meeting.

The president was instructed to appoint a committee of seven to handle any proposed changes in the rules, and also to appoint three representatives to the C. R. F. U.

The new officers are: President, W. N. Ferguson, Toronto; vice-president, S. S. DuMoulin, Hamilton; secretary-treasurer, F. D. Woodworth.

The following were elected members of the executive: McKean of Hamilton, Dr. W. G. Wood of Toronto, and Hugh Hayes of W. E. P., Hamilton; J. Hay, Wellesleys; Dr. Caldwell, Dundas; aand J. T. Sutherland, Kingston.

President W. N. Ferguson was in the chair and the following members of the executive were present: Secretary F. D. Woodworth, Max Yates, Varsity; S. S. Du Moulin, Hugh Hayes, Hamilton. The following delegates represented their respective clubs:

Senior series—Torontos, W. G. Wood and Bert Love; Hamilton Tigers, D. McKeand, Dr. Thompson; West End Pleasure Club, K. Connors, B. Lannon.

Intermediate series—Wellesleys, Toronto, Herb Dale, Robert Perry; Victorias, J. H. Carter, George McWhirter.

Junior series—Jameson Collegiate Institute, L. J. McLaughlin, Varsity III., F. W. Baldwin; Guelph O.A.C., R. E. Gunn; Dundas, Dr. A. C. Caldwell; Sarnia, Charles F. Adams; Woodstock College, Stratford, Parkhill, Ingersoll and Petrolea were not entitled to vote owing to default.

The minutes of the last meeting were read and confirmed, after which the president presented the following report:

Applications for entrance to the senior series were received from the intermediate champions, the Victorias of Toronto, and from the St. George's Hockey Club of Toronto. These applications will be dealt with by the executive and also the claims Petrolea have made against Sarnia for expenses incurred on account of a delay in starting a game, as well as claims that Sarnia make for default.

President W. N. Ferguson read a splendid address. He believed his committee made a mistake in voting to reinstate a man and thus causing the withdrawal of the Argonauts. He made strenuous efforts himself to have the oarsmen return. "Mr. Galt and myself wasted considerable time," said Mr. Ferguson, "trying to effect a settlement, but without success. The Argonauts would not recede, and we could do nothing else but allow them to withdraw."

Among other things the president said:

Your executive is pleased to be able to report that, as compared with other years, this has been a most successful one. We had 29 teams, representing 23 cities, towns and schools in the province, competing for our trophies, and we have finished the season with a substantial credit balance.

We started the senior series with four teams. We finished with three, the Torontos, the Tigers and the West End Pleasure Club. All finished with credit balances, and the Tigers with the championship. With the withdrawal of the Argonaut Club from the series and the Union, we shall deal later. The Victorias, the Peterboros and the Wellesleys fought hard for the intermediate championship. The clubs were evenly matched. The contests were interesting, exciting and close, and the result was in doubt up to the final game, which gave the championship to the Victorias.

In the junior series 23 clubs entered the contest for the championship. The clubs contesting in this series are spread all over the province, and were divided into districts for convenience in handling, but we can safely say that this series has done more to promote the game than the other two series together. In it was represented nearly all the large towns in the province, and thru it our game is becoming more widely known, appreciated and adopted. In this series 50 games have been played, and only to-day is the final game being decided at Belleville, between the Toronto II. and the Limestones of Kingston.

This year marks a new era in Rugby football. The snap-back rules have come to stay. Mr. Ferguson is most emphatic in declaring the new rules a success.

The secretary-treasurer's report added little to the information supplied by the president. The financial statement reads as follows:

Westmount Rugby Club.

Montreal, Dec. 12.—The annual general meeting of the Westmount Football Club was held in the club rooms, with the president, Harry Pollwka, in the chair.

The secretary's report among others things said: This year Westmount put three football teams on the field, the first team played in the intermediate series of the O.R.F.U., the second in the junior series of the same union and the third played in the independent junior league.

Our first team opened the season with a practice match with the first team of the Britannia Football Club. The match was played on Sept. 19, in Victoria Park, Westmount winning with a score of 11-6. In the regular series we played and won six games, winning not only the championship of the O. R. F. U., but also of Canada, the latter of which was gained by defeating the Victorias, intermediate champions of the O. R. F. U., at Toronto, on Nov. 28, by a score of 13—6. During the season the team made a record of 145 points to their opponents' 10, their goal line only having been crossed twice by other teams.

In reviewing the year, I must not forget the fact that Westmount applied last June for admission to the senior series of the O. R. F. U., but were refused. We applied once more at the annual meeting of the union, held on Dec. 5, and were admitted conditionally on the fact of any senior club dropping out.

The election of officers for the coming year resulted as follows: President, L. D. T. Brown; vice-president, W. M. Edwards; hon. secretary, G. A. Trenholme; committee, F. A. Patrick, J. Shearer, J. D. Sutherland; captain first fourteen, A. H. Ross; captain second fourteen, C. McKay.

The place of meeting of the Intermediate O.H.A. District 2 has been changed by the sub-committee from Belleville to Port Hope.

BROADVIEWS AND MEDS TIE.

Scored Two Goals Each in the Snow at Sunlight Park.

In spite of the unfavorable weather on Saturday afternoon the Broadviews and Meds., winners of the College and City Leagues, respectively, battled for the Crawford Cup, symbolic of the Ontario intermediate championship, at Sunlight Park. The game resulted in a draw, two goals each, the Broadviews tieing the score within one minute of the call of time. The heavy fall of snow prevented good football, altho the game was closely and evenly contested thruout. The Meds. won the toss and kicked with the wind. For a time the play was even, both goals being in danger. Finally the Meds., by a concerted rush, scored first blood from a scrimmage in front of goal.

Shortly after the Broadviews evened up, Summerhayes scoring on a pass from Maddock, after a free kick in front of the Meds.' goal. After half-time the Broadviews pressed and only the good work of the students' defence prevented a score. The Meds.' forward line was playing a good combination game and after twenty minutes' play by a good run they scored again, with ten minutes left.

The Broadviews played for all they knew and on a good run by Lewis up the left wing Cowie received the pass in front of goal and tied the score by a corking shot.

This gives the Broadviews possession of the Crawford Cup for the coming season, as the City League are now the holders of the Cup. Mr. Hath made a good and impartial referee.

Inter-College Association.

The annual meeting of the Inter-College Football League was held Saturday afternoon in the University gymnasium, President Patton occupied the chair. Among those present were Vice-President R. Pearson, Secretary-Treasurer E. Hayes and Messrs. Gilchrist, Chilvers, Armstrong, McNeil, McElhanney, Hostermann, Howson, Cairns, Mitchell and Roberts, the delegates from the various colleges and teams.

An amendment to the constitution was passed compelling senior teams to play two games before their intermediate team would be allowed to play in the series.

The election of officers was deferred until January in view of the proposal of the Varsity A. A. to take over control of this association.

St. Michael's Juniors Won.

St. Michael's College Juniors closed Saturday a very successful Rugby football season by defeating the Deer Parks in the final game of the Junior City League by a score of 6 to 0.

Besides winning the championship the juniors also won the Wilson Cup, donated by the Harold Wilson Co.

The features of the game were the team work and trick plays of the College Juniors, who, under the efficient coaching of Joseph Rosler, close the season with six victories and one defeat.

Line-up of winners: Full back, Quinn; backs, Walsh, Keohler, Power; quarterback, O'Connor (captain); snap-back, Harrison; wings, McDonald, Nealon, Carey, Fenton, Gorman, McCool, Murphy.

Limestones Win by Default.

The Limestones of Kingston and Toronto II. indulged in a lot of bluffing over the game the O. R. F. U. executive ordered them to play in Belleville Saturday, the former winning without a show down. The Torontos did not start for the East, and as the Limestones did not need to leave till noon they will tally a victory by default.

LAKEVIEW CURLING CLUB.

Members Anticipate Banner Season—Notes of the Game.

The members of the Lakeview Curling Club confidently anticipate that the present will be their banner season on the ice. A large number of new names have been enrolled, the list including a couple of experienced Winnipeg curlers. The club's quarters in the Old Orchard Rink have been comfortably fitted up, and some improvements made in the ice space reserved for them.

During the past fall each Friday night has been "club night," set apart for progressive euchre. In this way the members have been kept together. The card season was concluded last Friday evening, when the losing side in the series of seven nights' play put up an oyster supper. Prizes for the top scores in the series were presented to Messrs. McDonald and McCleary, and to Messrs. Eddie Brennan and Dr. Glynn, the winners for the night.

On Christmas Day Messrs. Whitely, McKenzie and Brennan will skip the president's rinks, and Messrs. Glynn, Head and Young the vice-president's side.

The president, Wm. Mansell, has donated a handsome gold medal for the points competition, which must be played off during the next three weeks. This is in addition to Alex. Muir's medal. The latter may run for a term of years, as it must be won twice consecutively by the same players before becoming his property.

The Lakeview teen got maiden ice for the season last Thursday night, the earliest on record for them.

Queen City Curling Club.

A neat club booklet just published by Secretary R. B. Rice gives the composition and positions of the players on the Queen City's 32 rinks, with five and six in each. The Flavelle cup games start to-day, the teams drawn being:

G. Coatsworth.	R. Greig.
J. W. Siddall.	Q. B. Henderson.
M. Love.	C. Morrison.
R. M. Gray.	W. M. Gemmel.
B. Brick, skip.	W. Crooks, skip.

The games will be continued, weather and trophy games permitting, until February, when the four group winners will play semi-finals and final games for the championship.

The Queen City Curling Club has elected these skips: Ontario Tankard—J. C. Scott, H. A. Halsley. District Cup—James Ince, S. J. Smale.

Next Thursday the Queen Citys play their first friendly game with the Granites.

Toronto and the Granites play their friendly game next Thursday.

After the Puck.

Ten teams are located on the new Queen City Hockey Rink, at Church and Bloor-streets, and there is room for two or three more.

Alliston Old Boys will hold their fifth annual excursion to the home town on New Year's Day. They meet at the Iroquois on Wednesday night, to make the necessary arrangements.

The standing of the teams in the Pittsburg League is now as follows:

	Won.	Lost.
Victoria	2	0
B. A. C.	1	0
Keystone	0	1
Bankers	0	2

An amicable agreement has been reached in the controversy between the New York Hockey League and the St. Nicholas Club over the right of Max Hornfeck, Clarke and Howard of the New York Athletic Club, to play with the St. Nicholas organization. The St. Nicholas Club agreed not to enter a team in league hockey games, and gave its dates to a new organization, called the Wonders Hockey Club. Hornfeck, Clarke and Howard will likely play with the new club.

The Marlboros took skating exercise on Saturday night, in the Mutual-street Rink, after which the members elected Gal Earls captain.

The following officers were elected at the annual meeting of the Penetang Hockey Club of the O.H.A.: President, D. Davidson, M.A.; vice-president, W. H. Hewson; secretary, E. J. Hewson; treasurer, D. J. Charlebois; manager, G. E. Wright; captain, Thornton Smyth; Committee of Management, George E. Gendron, J. F. Beck, J. Martin, A. McLaughlin, H. Hornsby and W. J. O'Connell.

Gossip of the Turf.

There were sent to England from New York on Saturday on the Minnetonka a pair of coach horses owned by Mrs. Lily Langtry, and 10 saddle horses, the property of Z. Vivian Gooch.

Emil Herz, who was half-owner of McChesney last winter, and who won in wagers and stakes upward of $150,000 in the summer of 1902, was forced to see his horse, Prince Blazes, win a race unbacked at the Oakland track lately.

George Rose, the California bookmaker, for the first time since he began to do business on Eastern race courses, has lost on the season. He is said to be $20,000 on the wrong side of the ledger. Rose intends to become a stockholder, to a moderate extent, in the new Los Angeles race course.

Edward Corrigan, in a published interview, says that he receives 25 per cent. of the profits of the Hawthorne race course, and that he is the owner of 66 acres of land adjoining that track, upon which he may find it expedient at any time to construct another race course.

J. F. Davis, the California bookmaker ruled off in connection with recent scandals developed by an investigation of races run at the Oakland track, denies all the charges. He claims that Clarence Waterhouse and John Condon each have an interest in his book.

The Junior Scots defeated St. Stephens on Saturday by 4 to 0 on Trinity Lawn.

DR. E. E. KING ELECTED COMMODORE TORONTO C.C.

Biggest Annual Meeting in History of Club Took Place on Saturday Night.

The annual meeting of the Toronto Canoe Club, the largest in the world, on Saturday night, was the most largely attended in the history of this big Toronto aquatic organization. Two hundred and fifteen members were present, with Dr. Edmund E. King in the chair. There were sufficient candidates to warrant contests for every office, but withdrawals allowed all the chief offices except that of commodore to go by acclamation, and Dr. King's victory was so easy that it might be called a walkover.

The reports were most gratifying. Besides the 15 honorary members, there are 512 members' names on the list, all their fees being paid up, as the T. C. C.'s rule eliminating delinquents is always strictly enforced.

The treasurer's report showed a gain for the year of $580, a cash surplus of $400, and the club was enabled to pay off $500 on the mortgage account.

The dinghy section has a fleet of 27, and many additions will be made next summer. The financial statement for the year is as follows:

To Select Regatta Dates.

Secretary S. P. Grant of the Canadian Association of Amateur Oarsmen yesterday wrote to President James Pilkington of the National Association, asking him to appoint a sub-committee at their annual meeting, to be held on Dec. 19, to meet with a like committee from the C. A. A. O. in Buffalo at an early date, to confer upon the dates for the holding of the two great rowing events of the American aquatic year—the National and the Royal Canadian Henley. It is the intention of the C. A. A. O. to have this joint committee meet annually and settle the dates for the two regattas and to facilitate the carrying on of the business pertaining to rowing on this continent.

Rhona Adair Sails Away.

New York, Dec. 13.—Miss Rhona Adair, the champion woman golf player of England, left yesterday for her home in Dublin, on the American Line steamship St. Louis. She was accompanied by her sister, Nora Adair.

"I have had more than a delightful visit here," she said yesterday. "And, above all, I shall never forget the hospitality meted out to me in Philadelphia. I recollect a little story that a girl friend of mine there told me. It will illustrate the type of friendliness that the Pennsylvania city extends to its guests.

"I was telling a party of friends one day at the Bryn Mawr links that it was an affront—in Ireland—to permit a guest who had traveled any distance to leave your house under at least two months.

"'Oh, my,' said my friend, 'That's very nice, but I had a friend from the South call on me once, and she stayed seven years.'

"Now," concluded Miss Adair, "that's what I call hospitality. Why, Philadelphia has Ireland beaten 17 holes."

Still Pool Champion.

Baltimore, Dec. 12.—Alfred D. Oro is still the undisputed champion of the world in pool. He successfully defended his title last night, winning his 600-point contest with Frank Sherman, by 83 points, the final score standing 600 to 517.

After the contest, it was announced that the men are entered in contests in several other cities. They leave for Washington to-morrow, and from there will continue on to Richmond, Pittsburg, Brooklyn and Boston, playing a series in each city.

Court Tennis Final.

Tuxedo Park, N.Y., Dec. 12.—In the final round for the amateur court tennis championship to-day, Charles E. Sands of New York defeated Joshua Crane, jr., champion of the United States, in three straight sets—6—4, 6—3, 6—0—thus gaining two legs on the trophy, presented by T. Suffern Tailer to the Tuxedo Tennis and Racquet Club for competition.

Mr. Crane, having won the toss, selected the service side, and began with his railroad service, which he stuck to with wonderful precision thruout.

At the close of the match an excellent four-handed game was played between Charles E. Sands and Joshua Crane, jr., and T. Suffern Tailer and Ted Johnson, the latter pair winning two sets to love.

36th Beat the Grens.

The 36th Regiment succeeded in taking the first game in Section B of the Officers' Indoor Baseball League. The Royal Grenadiers had a fair lead until the last half of the ninth, when the 36th struck a batting streak and scored five runs and won out before a man was retired. Captain Heron's batting was the main feature, he getting a total of 13 bases for five hits, including two home runs and a triple. Percy Biggs figured prominently both at the bat and in the field. Running catches of difficult flies by Law and Burson were worthy of mention. Kingsmill, who has been absent from the city for some time, jumped into the game without any preliminary training. But ere many days have passed he will prove the pile of strength to the Grenadiers he has been in the past. Porter, Maxey Mackay, Mason and Evans also played exceedingly well. The score:

Montreal Sticks to Eastern.

Montreal, Dec. 12.—Messrs. Clarke and Nicholson, who have just returned from New York, state that Patrick Powers, president of the Eastern League, is in favor of dropping Worcester and restoring Montreal to the circuit. It is said that Mr. Hurley, president of the Worcester team, is willing to let the franchise go, and in that case it will probably come to Montreal.

Montreal will be represented at the annual meeting of the Eastern League by Messrs. Glassford and Nicholson, when it is held next week at New York.

Three Senior Games in Group 3

Gal Earls of the Marlboro Hockey Club has suggested to Convener W. J. Morrison of group three in the senior series of the O.H.A., that three games be played by St. Georges and Marlboros, the winner of two to be declared the victors in this group, games to count, not goals. The dates suggested are Jan. 9, 16 and 23. It is more than likely that the Saints will favor this scheme.

The Canadian Club will, at their luncheon on Monday, continue the debate on the subject of preferential trade introduced on Friday evening by Professor Adam Shortt, opened by Frank Arnoldi, K.C., and continued by J. E. Atkinson and others.

WALTHOUR AND MUNROE WON BIKE RACE BY 40 YDS.

Leander-Butler Second, Krebs-Peterson Third and Bowler-Fisher Fourth.

New York, Dec. 12.—With a flash of colors and with a whirling of wheels that could be heard even above the roar that went up from the throats of 25,000 enthusiasts, Walthour, for himself and his team mate Munroe, won the six day bicycle race in Madison Square Garden, which ended at five minutes past 10 to-night. Forty yards separated Walthour from Leander, who was second at the finish, being many yards ahead of Floyd Krebs, behind whom came Fisher, an indifferent fourth.

It was a spectacular finish, made more so by the fact that for seven riders who started to sprint the last mile four fell crashing in a heap just as half the final journey had been made. At the bank at North-avenue and 26th-street end, Breton was riding on the outside. His front tire came off and he practically swept those near him down the incline to the flat below. His wheel was smashed and he and the others were cut, bruised and scratched. In the bunch that went down were Breton, Fisher, Newkirk, Floyd Krebs and John Bedell. Both Bedell and Breton were knocked unconscious. The others were half dazed with the exception of Floyd Krebs.

It was decided by the management before the final sprint that falls should count against the rider, but that those who escaped in falls should ride on. This left Walthour and Leander in the final sprint. Walthour and Leander were about together at the end of the ninth lap, with Walthour half a wheel ahead. Walthour let Leander keep at the end of his wheel till the 26th-street side of the garden on the last lap. Then he made a spurt and shot away, winning by at least 40 yards.

While the final sprint was going on Floyd Krebs had been picked up and ran round after Leander and Walthour, laps behind, but a good third. Fisher also managed to get up and rode slowly around getting fourth money. Newkirk by a sprint on the last lap, got fifth place.

This left the order of the race as follows: Walthour and Munroe, 2318.3; Leander and Butler, 2318.3; Krebs and Peterson, 2318.3; Bowler and Fisher, 2318.3; Newkirk and Jacobson, 2318.3; Contenet and Breton, 2318.3; J. and M. Bedell, 2318.3; Keegan and Moran, 2318.2; Samson and Vanderstuyft, 2314.9.

The winners finished 415 miles behind the record of 2733 miles 4 laps, made by Miller and Waller in 1899.

Jack O'Brien Beat Mike Schreck.

Chicago, Dec. 12.—Philadelphia Jack O'Brien was given the decision over Mike Schreck of Cincinnati after six rounds at the Chicago Athletic Club to-night. The verdict was not agreeable to a large portion of the spectators, who thought Schreck should have had a draw. He made a good fight in the first three rounds and ducked many of O'Brien's blows, with great cleverness, but he took four blows for every one he landed. O'Brien knocked Schreck flat on his back in the second round and half thru the ropes in the fifth. In the sixth he hammered the Cincinnati man all around the ring and had him groggy at the finish.

Around the Ring.

Al Limerick is in first-class condition for his fight with Jack Munroe Tuesday night, before the Criterion A. C. of Boston.

Matty Matthews has settled down to hard work, and is ready to meet any white welterweight in the game at 142 pounds. Matty prefers Eddie Kennedy, Tom Couhig, Martin Duffy or Rube Ferns.

Harry Forbes and Abe Attell have at last been matched. They will meet in St. Louis next Thursday night in a 20-round contest, and are being billed as meeting for the legitimate feather-weight championship.

There's a Scotch champion coming to America. John McDonald is the boss boxer of Scotland, and threatens to invade the United States. On his own heather they say McDonald is a good man, and a handy one wi' the mitts.

The first heavyweight championship battle fought in America was between Tom Hyer and Yankee Sullivan. They met on the turf with bare knuckles, for $10,000, on Still Pond Heights, Kent County, Maryland, Feb. 7, 1849. Hyer won in 16 rounds.

Al. Herford of Baltimore, manager for Joe Gans, says Sam Langford weighed 148 pounds when he got the decision over Gans. Herford issues the following: "I want to say that Joe Gans, the lightweight champion of the world, will box Langford at 138 pounds ringside for a side wager of $5000. The only one thing that I want stipulated in the articles is that Mr. Buckley will not officiate as referee. If Langford will not accept I will let Gans meet any other lightweight in the world, from 133 to 138 pounds at ringside, Jimmy Britt preferred.

Pigeon Shoot.

The Toronto Rod and Gun Club held their annual pigeon match at the Woodbine Park Saturday. In spite of the weather there was a large turnout of old and new members. The prize winners were Mr. Irving, Mr. Thompson, Ald. Stewart, Mr. Astery, Mr. R. Davies, jr., Mr. W. Cook and Mr. Saunders. The prizes will be presented at the annual meeting next Saturday evening, Dec. 19. R. Davies, jr., has kindly donated two cases of Cosgrave's for the highest average score. Mr. George Briggs acted as referee in a very capable manner. These matches will be very popular this winter with the members and friends, owing to the kindness and attention of Mr. Byran, the popular manger of the Woodbine.
