Above or below like a tar to roam, For the ocean's a gallant sailor's home!

Where the brave can only find delight, Gliding away through the stormy night, When dolphins play in the noon day clear, Or morning wakes from an eastern tear: Still lightly we sleep o'er the snow-white foam, For the ocean's a gallant sailor's home!

Where the loud winds solemn concert hold, O'er waves that are dyed like liquid gold, I love to sail with a dauntless crew, Come war or peace, to my country true; Above or below like a tar to roam, For the ocean's a gallant sailor's home!

WRIGHT'S INDIAN VEGETABLE PILLS OF THE NORTH AMERICAN COLLEGE OF HEALTH.

THESE extraordinary Pills are composed of plants which grow spontaneously on our own soil; and are therefore better adapted to our constitutions, than medicines concorted from foreign drugs, however well they may be compounded; and as the INDIAN YIGHTABLE PILLS are founded upon the principle that the human hold vis in truth.

SUBJECT TO BUT ONE DISEASE.

VIZ: corrupt humors, and that the said medicine cures this disease on NATURAL PRINCIPLES, by cleanising and purifying the body; it will be manifest, that if the constitution be not entirely exhausted—a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to I fertility, we drain it of the superabundant waters; in like manner, if we wish to restore the body to health, we must cleanse it of impurity.

The Indian Vegetable Pills will be found one of the best, if not the very best, medicines in the world for carrying out the GRAND PURIFYING PRINCIPLE, because they expet from the body all morbid and corrupt humors, the cause of disease, in an easy and NATCHAL MANNER, and while they every day GIVE EASE AND PLEASURE, disease of every name is radidly driven from the body.

This is to inform the public that all genuine medicine has on the boxes.

In all Disenses of the Skin, Bad Lega, Old Wound and Ulcers, Bad Breasts, Sore Nipples, Stoney and Ulcerated Can ers. Tumours' Swellings, Gout, Rheumatism, and Lumbago, likewise in cases of Piles; the Pills, in all the above cases, ought to be used with the Ointment; as by this means cures will be effected with a much greater certainty, and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bites of moschettors, Sand-flies, Chiegofoot, Yaws, and Coco-bay.

Burns, Scalds, Chilblains, Chapped Hands and Lips, also Banions and Soft Corns, will be immediately cured by the use of the Ointment.

THE PILLS are not only the finest remedy known when used with the Ointment, but as a General Medicine there is nothing equal to them. In nervous affections they will be found of the greatest service. These Pills are, without excepton, the finest Purifier of the Blood ever discovered, and GHOUT to be USED BY ALL!!!
