This Ointment Possesses Power to Heal the Skin

Two Cases Which Prove the Extraordinary Healing Power of Dr. Chase's Ointment

The use of Dr. Chase's Ointment is wonderfully satisfactory because you can actually see the results accomplished. It is surprising what change can be brought about in a single night by this act healing ointment.

Mr. George Beavis, 119 James street, Peterboro, Ont., writes: "As a healing ointment, I consider Dr. Chase's the best obtainable. I had a large running sore on my leg, and although I had tried all the prescriptions of two doctors I was unable to get any relief from the pain or to get the sore healed. One day my druggist handed me a sample box of Dr. Chase's Ointment, and I used it with such good results that I decided to give the ointment a fair trial. Altogether I used four boxes, and am glad to be able to say that the sore on my leg, entirely healed up. Since this experience with Dr. Chase's Ointment I leg is entirely healed up. WANTED TO GO WITH
BUFFALO BILL TO THE
HAPPY HUNTING GROUNDS

The "Happy Hunting Grounds" have advantages over Heaven in the eyes of at least one boy who has written a letter to "Buffalo Bill," who, his grandafather told him, was on his way to the "Happy Hunting Grounds" and who was been the last man admitted there. Robert Curtiss Talbott of Seattle is the boy. He wants "Buffalo Bill" to hold the gate open there until he shall arrive; then the gate can be locked and the key thrown away forever. He sent the letter to the editor of the Denver Times, thinking he might know where to reach "Buffalo Bill" as the latter had already started for the "Happy Hunting Grounds."
