

SWEEPS WIN
FROM TIGERSInteresting Game in City League—
Maples Take Four Points in St.
Peter's League

In the City League, on Black's alleys, last evening the Sweeps took three points from the Tigers. The victory places the winners as contenders for leading honors. The game was interesting owing to the close race for the lead by these two teams and also the Braves and Ramblers. The following was the official score:

HOCKEY

Match Tonight

The members of the hockey teams of the Army Service Corps and 26th Battalion will clash this evening in what promises to be an interesting match. Both of the units have strong teams. The 26th have Smith and Fowler of last year's St. John's, while the Army Service Corps have Rothwell, Merkle, Crossman, at goal, point and cover point, and their forwards are to be chosen from Edwards, Bridges, McGowan, Simpson and Barr.

Prof. Team for Halifax

A movement is on foot in Halifax to organize a professional hockey team. It is proposed to play exhibition games with the 26th Battalion, New Glasgow, Sydney and Glace Bay. Correspondence is going on with these teams and the Arena management is being negotiated with.

RING

Boxers Injured

Jim Flynn, Pueblo fireman, broke his left wrist, and Al Reich, former national amateur heavyweight champion, sprained his right wrist in their round bout in Brooklyn on Wednesday night. Flynn's accident came in the second round and Reich's in the third, but they fought on Reich had the better of it until his wrist was sprained, and made a wild rally in the tenth, using the injured hand for several effective blows. From the fourth to the ninth inclusive Flynn outboxed Reich. Flynn weighed 187 pounds and Reich 207 pounds.

AQUATIC

English Henley Regatta.

The abandonment of the famous English Henley Regatta for 1915 leaves the principal trophy, the Grand Challenge Cup, in America for another year at least. The classic prize for eight-oared crews was won by the Harvard University second crew last summer and under ordinary conditions would have been returned in accordance with the deed of gift which made the Grand Challenge Cup a perpetual prize. This trophy, the oldest and most famous trophy of the six Henley awards, was donated in 1889, the initial year of the regatta. It ante-dates all other trophies and has been raced for each year since the first contest, more than seventy years ago.

Delance Broken Up.
The yacht Delance, built by the tri-city syndicate as an American cup defender, has reached the end of her short career. Her owner, Commodore E. W.

Junk, and she will be broken up mainly for the seventy tons of lead in her keel and the steel ribs in her frame. Parts of her top hamper, her spars, and some fittings will be turned over to the men who are now rebuilding Mr. Clark's l-talena. The yacht cost her builders about \$65,000. Reports say that as junk she brought her owner \$5,000.

CHECKERS

World's Championship Match.

J. B. Hanson, of San Francisco, went unheralded to the biennial contest for the American checker championship in Chicago and won his preliminary skirmish with Hugh Henderson, of Pittsburgh, the present champion.

Alfred Jordan, of London, the world's title holder, won both sides of the switcher in his tilt with Walter Cooper of Detroit; John Howe, Jr., a sixteen year-old Chicago boy, earned a draw in the opener with Jordan, but lost the second match.

CURLING

The McLellan Cup.

Bathurst, N. B., Jan. 14.—In the closest and most interesting curling matches ever played on Bathurst ice, Campbellton was defeated in their effort to lift the McLellan cup last night. The score was very close all the way through, the Bathurst defenders coming out at the last end with a lead of only seven points. The afternoon game was won by Bath-

urst with four points. In the evening one rink led by two and the other by one, making the total mentioned. There was a great time in the club rooms after the game, and the visitors returned home on the early train. Bathurst is to defend the trophy next Wednesday against Truro.

BASEBALL

A Fairville League.

The first games of the season of the Fairville Baptist Sunday School Ladies' Basketball League were played last evening. Private Roy Stephens, of the 26th battalion, acted as referee. In the first game the score was: Reds, 16; Whites, 6. In the second, Tans, 17; Blues, 5.

Umpires Will Be Glad.
Washington, Jan. 15.—The House of
Representatives has passed a bill re-
quiring all baseball parks in the District
of Columbia to furnish free drinking
water for their patrons, and individual
paper drinking cups as well.

Rooters here are up in arms over the
new regulations, as they fear that it may
drive the "pop" bottle men out of busi-
ness. An one ardent fan remarked:
"What's the use of trying to 'bean' an
umpire with a paper cup?"

Ambitious.
Hastings, Neb., Jan. 14.—If Bruning,
Neb., has his way it will be the smallest
town in the country in organized base-
ball. With a grain elevator, a railroad
water tank and a population of only
438—all tip-roasting fans—it has applied
for a franchise in the Nebraska State
League, whose towns average more than
10,000 in population. As it is it is about
\$10,000 to maintain a club during a sea-
son, it will cost each man, woman and
child about \$80 to have league baseball.

To Join Cubs

Paul des Jardins, star centre of the
University of Chicago football team, re-
garded as one of the best baseball pitch-
ers in "The Big Nine" will join the Chi-
cago Club of the National League in
June, according to a story published in
Chicago.

Des Jardins declined at this time, it
was said, to sign a contract as he did
not want to endanger his amateur
standing by signing to play professional
baseball. He agreed, however, to sign
as soon as he received his diploma in
June.

He is a right-hander, possesses a good
curve and his height of more than six
feet gives him additional effectiveness.

the one-year contract offered Dolan last
