Terrific Explosion Wrecks Coal Mine at Sublet, Wyoming.
RESCUE DIFFICULT
Continual Caving of Walls Jeopardizes the Lives of Searchers.

Escaped Criminal, Retaken In New York, Admits Participating In 60 Hold-ups
New York, Sept. 17.—Immaculately dressed and bearing himself with the carriage of a man of affluence, Patrick H. Dealey, one of the most dangerous criminals with whom the police of this city have had to deal in many years, was placed in the "line-up" in the Detective Bureau at Police Headquarters, and more than 200 detectives, for 45 minutes, made a critical observation of his characteristics. Dealey had been arrested 2 a.m. by detectives after he had been surrounded in the street.

(By Canadian Press.)
Chicago, Ill., Sept. 17.—Clarence Darrow, attorney for Nathan Leopold Jr., and Richard Loeb, a Chicago business organization and a church society have joined the fight to save Bernard Grant from hanging on October 17. He was convicted of the murder of a policeman in a hold-up in 1922.
Mr. Darrow in response to a telegram from Grant's counsel today telegraphed from Charlevoix, Mich., that he would return here next week and that he would be glad "to do what I can."

SAYS BLACK KING WILL RULE WORLD
Negro Preacher Declares That Bible Prophecy Promises It.
New York, Sept. 17.—Marcus Garvey was hailed as a "new Moses" by the Rev. James M. Webb, a negro preacher of Chicago, who spoke at Liberty Hall, headquarters of the Universal Negro Improvement Association. Mr. Webb said that Garvey's mission was to develop within the black race the spirit which would result in their redemption of Africa and the establishment there of a "black universal king" to rule the world. Biblical prophecies, he said, foretold the coming of the black ruler.

FURORE FOLLOWS ASSASSINATION
Guerrilla Warfare Breaks Out In Bulgaria—Murderer Is Killed.
Athens, Sept. 17.—The assassination of Theodore Alexandrov has aroused a furore of speculation and rumor throughout the Balkans.
It is reported from Sofia that the general committee heading Alexandrov's comitadj organization has formally dissolved the group of Alexandrov's slayer, Athanasios Vassilief, and that the murder has been carried out. Although it cannot be confirmed, it is reported that the government, fearing Russian invasion for the minor internal outrages for which Soviet sympathizers are alleged to have been responsible, has ordered mobilization of the classes of 1919, 1920 and 1921.

REID IS RELEASED ON BAIL OF \$200,000
Five of Newfoundland Auto Accident Victims To Be Buried on Thursday.
St. John's, Nfld., Sept. 17.—Leonard Reid, charged with murder in connection with the death of six men who were killed when his automobile ran down a group of workmen at Calahan's Crossing near this city yesterday, posted \$200,000 of the required bail, while his uncle Robert Reid and friend, Leonard Overbridge, put up \$50,000 each.

BLAZE DAMAGES SUSSEX DWELLING
Dr. W. A. Carcaud Suffers Loss of Furniture and Equipment.
Sussex, N. B., Sept. 17.—The residence next door to the Dominion building, owned by the Whelan estate and occupied by Dr. W. A. Carcaud, was quite badly damaged last night by fire and water. Dr. Carcaud and family were away from home when the fire was discovered about 9 o'clock and its origin is unknown, but the suppression is that it was caused by a defective electric light wire. Before the fire was extinguished, which had worked into the partition of the upstairs flat, much water had to be used by the firemen with the result that the house was badly gutted and much of Dr. Carcaud's office equipment and furniture destroyed. The damage to the building and contents is covered by insurance.

SOVIET OFFICIALS ACCUSE MACDONALD
Say He Is Guilty Of Breach Of Anglo-Russian Treaty.
Moscow, Sept. 17.—Bitter resentment is manifested by the Soviet officials and newspapers over the resolution adopted by the League of Nations Assembly with regard to the situation in Georgia. In supporting the resolution, Prime Minister MacDonald of Great Britain is accused by the government newspapers of violating deliberately the recently concluded Anglo-Russian treaty which expressly forbids interference by one country in the internal affairs of the other.

FRANK CHANCE DIES IN LOS ANGELES
Manager of White Sox Passes Away After Sudden Relapse.
Los Angeles, Sept. 17.—Frank Chance, manager of the Chicago White Sox, died in a hospital here Monday night after a sudden relapse.
For several months, Chance had been recuperating in southern California from a breakdown suffered in Chicago last spring in an attempt to resume active management of the team. He was at his apartment when another sudden attack caused his removal to the Good Samaritan hospital, where he died within a half hour.

ARREST IS MADE IN MULHOUSE CASE
Naturalized German Taken By Paris Police On Robbery Charge.
Paris, Sept. 17.—(By the A. P.)—Jerome Max Phaff, a naturalized American citizen born in Germany, was arrested today charged with piracy in holding up the French freighter Mulhouse off the Atlantic Coast of the United States in July and robbing her of a cargo of more than 1,000 cases of champagne and liquor. The prisoner denied his guilt.

INTO WELL BUT MAKES ESCAPE
Sydney Child Falls 25 Feet To Water—Clings To Iron Pipe.
Sydney, N. S., Sept. 17.—Although she fell 25 feet down a well into the water here early this morning, Emily Hutton, five-year-old daughter of Thomas Hutton of Alexandria street, escaped without a scratch. She showed presence of mind, for, after plunging to the bottom of the well, on coming to the surface she grasped an iron pump pipe, by which she supported herself until brought up by John MacQueen and a passing telegraph lineman, who used his spurs to descend the deep well.

INDIAN ASSEMBLY DEFIES THE BRITISH
Passes Second Reading Of Bill repealing Law Suppressing Anarchy.
Himala, British India, Sept. 17.—The Legislative Assembly has taken another step in routing the British administration by passing the second reading of the people Government opposition, of a native bill repealing a criminal law amendment enacted in 1908 to suppress anarchical crime in Bengal. The vote was 71 to 39. Final reading of the bill has been postponed.

U. S. Invited To Take Part In Nations' League Disarmament Commission
Will Consider Control of Private Manufacture Of War Material.
Geneva, Sept. 17.—(United Press)—The League of Nations' disarmament commission passed a resolution today asking the council to request the United States to participate in the League's temporary disarmament commission on the question of government control of private manufacture of war material.

CRISIS EXPECTED IN IRISH AFFAIRS
Refusal of Ulster to name Commissioner Throws Onus On Parliament.
By C. F. GRANDALL
(London, Sept. 17.—Ulster's flat refusal to participate in the boundary commission, although not unexpected, is bound to provoke a serious crisis. When Parliament re-assembles after the autumn recess which will be followed by a fortnight the Commons will undoubtedly pass a bill appointing an outsider probably from the dominions but unless the verdict is satisfactory to Ulster the present boundaries will practically be retained for Ulster will refuse to accept any rational change.

U. S. World Fliers Leave For Omaha
U. S. Mail Field, May Wood, Ill., Sept. 17.—(By the Associated Press)—The army round-the-world flier, hopped off from here at 8:11 a. m. on the 440-mile flight to Omaha. Lieut. Lowell Smith, the commander, said he expected to reach Omaha in about six hours. Lieut. Smith was the first to take the air in his flagplane Chicago at 8:11. After him went Lieut. Wade in the Boston II. at 8:11 1/2. Lieut. Nelson, in the New Orleans, was off the ground at 8:12 a. m.

Large Cargo of Alcohol Seized
Providence, R. I., Sept. 17.—United States customs boat H. V. M. of New York today captured two motor boats, the Tuna and the D-235, arrested six men and seized 380 cases of alcohol off the Rhode Island coast this morning.

Weather Report
Synopsis—The weather has been fair throughout the Dominion. A storm of moderate intensity is off Cape Hatteras and will probably move northeastward toward Cape Sable; to Grand Banks, moderate southwest wind, fair, followed by increasing northeast winds on Thursday to United States ports, northeast winds, likely to increase to gales with rain tonight.

MacMillan Heard Sister's Voice By Radio While In The Far North
Explorer Leaves Sydney On Way To Home Port In Maine.
Sydney, N. S., Sept. 17.—The Arctic expedition of Capt. Donald B. MacMillan, returning to its home port at Wiscasset, Maine, sailed from here yesterday on the auxiliary schooner Bowdoin. The explorer while here reviewed the experiences of the party in the course of its 13 months' absence, emphasizing the part that radio played in its interests.

OIL WELLS ABLAZE
Thirty-Seven In Caspian Fields, Afire, Threaten Whole District.
(London, Sept. 17.—Thirty-seven oil wells in the Russian Caspian fields are afire and threaten the entire region, according to dispatches to The Daily Mail. The field is the property of the Russian Government, and has been open only 18 months.

Wire Briefs
Lewiston, Me., Sept. 17.—Frank Deering, 45, died in a local hospital today after shooting himself in a hunting accident yesterday.
Washington, D. C., Sept. 17.—A slight earthquake, 1,400 miles south of here, was recorded at Georgetown University early today.

Noted Boston Shoe Manufacturer Dead
Boston, Mass., Sept. 17.—William L. Douglas, former Governor and head of a shoe manufacturing business that he built up from his savings as a peeper of shoes, died at the Peter Brent Brigham Hospital early today. Deacon in his 80th year after three operations for an illness that developed at his summer home in Marion early in August.

Blaze Damages Sussex Dwelling
Dr. W. A. Carcaud Suffers Loss of Furniture and Equipment.
Sussex, N. B., Sept. 17.—The residence next door to the Dominion building, owned by the Whelan estate and occupied by Dr. W. A. Carcaud, was quite badly damaged last night by fire and water. Dr. Carcaud and family were away from home when the fire was discovered about 9 o'clock and its origin is unknown, but the suppression is that it was caused by a defective electric light wire.
