## Tries Kellogg's Bran—restores health after 12 years of intense suffering

Mr. Firth writes that he suffered for 12 years from constipation and his friend for 10 years—a total of 22 years' suffering permanently relieved by Kellogg's Bran, cooked and krumbled.

Dear Sirs:  
For 12 years I had been troubled with indigestion caused mostly by constipation. Until about a year ago, I would suffer from 4 to 20 weeks at a time.  
I happened to see your Krumbled Bran in a store, purchased a package and got almost immediate relief. I am still eating the Krumbled Bran every day.  
The most wonderful results obtained with your Krumbled Bran I will now relate. A gentleman who has been taking medicine for about 10 years

for constipation could not find anything to give him relief. Three weeks ago I advised him to try Krumbled Bran, as I had told him what wonderful results I had gotten from it. The gentleman in question purchased a box, and he told me that for the first time in ten years he is regular without taking medicine.  
Yours for success,  
William Firth, Jr.

**EXECUTIVE MEETS.**  
A meeting of the executive of the Free Kindergarten Association was held yesterday afternoon at the residence of the president, Mrs. Allan G. McAvity. The executive made arrangements for the annual meeting which will be held on Monday of next week.

The prisoner was not in a very talkative mood, however, and addressed most of his conversation to Mrs. Smith. In a special despatch to the Toronto Telegram from Kingston, a staff correspondent of the paper gives the details of an interview which he had with the prisoner, who today began his three-year sentence in the penitentiary and in which Smith declared that he is comparatively a poor man, that he goes to prison conscious free, that he received "no pecuniary advantage out of these bond deals" and that in his opinion the Government in England has been ill in the town of Stratford. He said, "I did not know what I was going to be up against when I assumed office under Drury. Again I want to say that I have done nothing wrong. It appears to me that I got into a situation which I did not understand and did not know the details of. The fact of the matter is that I have been made a scapegoat for others."

"I am in a straitened circumstances at the present time," the former treasurer continued. "I have no money and no bonds on deposit to my credit either in Detroit or Buffalo or any other place. My conviction is going to de-

**PETER SMITH TAKEN TO PENITENTIARY**

**Former Ontario Treasurer Starts Prison Term for Conspiracy.**

Toronto, Nov. 13.—Peter Smith, former Provincial Treasurer of Ontario, left Toronto today for Portsmouth penitentiary to serve three years' imprisonment, more or less, as a result of his conviction on a charge of conspiracy in connection with the sale of Provincial Government bonds while he occupied the office of Provincial Treasurer. Major Basher, governor of Toronto jail, and Officer Coburn, of the county sheriff's staff, were in charge of the prisoner. Mrs. Smith accompanied her husband on the train.

Peter Smith smoked his pipe cheerfully as the train pulled out of Toronto. He called for a morning newspaper as the news agent went through the train. "I want to see how they have whitewashed Sir Adam Beck," he said, but added that he did not know anything about "that case."

The newspaper reporters, Smith said in regard to things generally: "If I told the truth, it would increase the circulation of your newspapers."

The East End Boys' Club, of the St. John Playgrounds' Association, opened with a rousing time last evening in the newly renovated hall over the Victoria Skating Rink, City Road. Fresh paint in a rich brown tint, with green wall-covering, had transformed the place into one of comfortable aspect and had a marked effect upon the 125 boys present, who were aided by several of the speakers. F. T. Lewis, president of the Playgrounds' Association, was in the chair and spoke with pleasure of the representative assembly of prominent citizens, who had given the club its most successful meeting for many years. This was reiterated by Hon. H. J. Ritchie and W. K. Haley, members of the Rotary Club; C. M. Lingley, president of the South End Boys' Club and Improvement League, and John Griffiths, new physical director, all spoke briefly, and received vigorous applause from the boys. Miss Emma I. Heffer, general superintendent, gave the shortest address "Refreshments," and received an ovation, which was almost a stampede.

Mr. Lingley brought greetings from the South End Club, and challenged the East End boys to a series of basketball games during the winter. Mr. Jones took up the challenge for the East End and offered a prize for the winners in the senior class. Dr. Spangler did not want the seniors to have all the fun, he said, and offered a prize for the intermediates who will play in a tournament with the South End. The Christmas treat given the boys of the city last year by the Rotarians is to be repeated this season, Mr. Jones announced. Tribute was paid to the work done by A. M. Belding. His absence was regretted, but gave opportunity for marked expressions of appreciation of his faithfulness. Other citizens present were Dr. DeV.

## MRS. SMITH TELLS OF WORLD TRAVELS

**Women's Canadian Club Hears Interesting Lecture on Many Lands.**

In her travelogue, "Here and There Around the World," Mrs. E. Atterton Smith last night provided a rare treat for the large audience which filled to overflowing the spacious lower hall of the Germain Street Baptist Institute. Excelling her past triumphs as a lecturer, Mrs. Smith made the trip so real through her graphic word pictures that all the members of the audience felt that they had made the journey with her, delighting in all its varied experiences and all its wonderful scenes. There was but one regret, the lecturer had to pass with only brief reference many of the wonderful scenes which she had visited. The slides, with which the address was illustrated were exceptionally fine and the greater number of them had been taken by Mrs. Smith or by some other member of the party.

The very hearty thanks of her audience were extended to Mrs. Smith on the motion of Mrs. Richard Hooper, seconded by Mrs. J. H. Doody, vice-president of the Women's Canadian Club. Two lovely bouquets of beautiful roses were presented to Mrs. Smith by admiring friends at the close of her address and she spoke briefly in acknowledgment of the tributes of words, applause and flowers.

The travelogue was the first address before the Canadian Club this season and it augurs well for the success of the future meetings. Mrs. Smith as president was at once chairman and lecturer and she made the announcement concerning the coming of Mrs. Walter Vaughan, who will address the St. John University Women's Club next week.

**Begins Journey.**  
Mrs. Smith in her travelogue was able to keep her audience always on the alert, eager to know what next she had seen. She described how with her husband she had set forth on the Empress of Canada and sailing from New York in winter had entered on the world cruise which was to carry them a distance of 22,000 miles.

Mrs. Smith told of the time spent at Madeira, where the travelers delighted in the profusion of flowers and had all the thrills that go with a two-mile slide down an almost vertical hillside. Gibraltar in the distance had been a disappointment but at close quarters had stood out in all the rugged grandeur which had been imagined. In Algiers the travelers found the ancient and the most modern, rubbing shoulders with each other and had a vision of the Arabian nights in actual fact.

Of the Riviera coast the travelers viewed, beautiful Monaco, with its famous gambling place which was one of the few depressing sights of the whole journey, saw the romantic situation of the castle of the Prince of Monaco, drove along the superb highway, the Cornish road to Cannes, and last but not least visited Naples and saw Vesuvius. She showed some very interesting pictures of the ascent of Vesuvius and also of the ruins of Pompeii.

When the Empress had been continuing her way to Port Said and Stromboli very kindly gave a display of its volcanic fires at night so that the ship's party that had experience to add to their recollections of the trip. Of their stay in Egypt Mrs. Smith had many interesting things to tell in describing Cairo, the trip to the Pyramids and the trip down the Nile.

The party had traveled 2,700 miles through India and Mrs. Smith conjured up for her audience last night vivid pictures of what she had seen in Bombay with its teeming myriads of people and its splendid buildings, notably its railway station which was the envy of all St. John residents, in Benares, sacred city of India, in Delhi, the new capital of India and near Agra where she visited the tombs of the Great Moguls, tombs of matchless beauty.

She told in a most pleasant way of her visit to Ceylon where a tea plantation was visited, of the sharp contrasts of wealth and poverty found in Calcutta.

In Shanghai the travelers found a modern metropolis, but were pleased to discover also the tea house which was the original of the Willow Pattern of china dishes.

At Tokio the travelers had the pleasure of visiting the Emperor's palace and at Yokohama they heard the gratitude of the Japanese for the assistance of Canada in the recent earthquake disaster.

Honolulu, paradise of the Pacific, the travelers visited next and the pictures of the neat rows of miles upon miles of pineapple trees was something of a surprise to the audience. At Hilo the greatest thrill of the trip was experienced and the travelers were right on the spot for a furious volcanic eruption such as has not been seen in the last century.

Mrs. Smith, in closing, spoke of the pleasure of reaching Canadian soil once more and told of the visit to Victoria, Vancouver and Banff. She declared that in all the world there was no scenic beauty like that of Canada.

**MONEY FOR HEALTH CENTRE.**  
The report of the Altruistic Club of Tens given at the meeting of Loyalist Temple, No. 13, Pythian Sisters, at the meeting of the temple in Temple Hall, Main street, last evening was very gratifying. The club has already accomplished a great amount of work in making garments for the Christmas giving of the temple. Mrs. Myles Saunders, M. E. C., presided and special guests were Past Chief Mrs. Mabel Foster, of Alexandra Temple, No. 1, Grand Manan; Miss James, manager of Harmony Temple, No. 3, Nova Scotia, and Mrs. Emery, of Moulton Temple, No. 14, St. John. The meeting voted to give \$50 to the St. John Health Centre and \$25 to the G. W. V. A. for Pump Day. Arrangements were made to take charge of the enrollment of Red Cross members at two of the drug stores on Monday.

Chipman, J. H. Marr, A. I. Foster, James Lewis, Roy Hamilton, J. H. Hamilton, Mrs. A. M. Belding, Mrs. A. C. D. Wilson, Mrs. M. H. B. Good and Miss Lillian Berwick. One of the features of the programme was the singing of a pantomime song by the gentlemen visitors, which greatly pleased the boys, who learned the song in a few minutes and joined in heartily.
