

POOR DOCUMENT M C 2035

THE EVENING TIMES AND STAR, ST. JOHN, N. B., WEDNESDAY, MAY 23, 1925

DR. F. ZEIGFELD, AGED FATHER OF PRODUCER, DIES

Founder of Chicago Musical College and Sponsor of Noted Artists Stricken in His Eighty-third Year.

Chicago, May 23.—Dr. Florenz Zeigfeld, president emeritus of the Chicago Musical College, and father of Flo Zeigfeld, New York theatrical producer, died at his home here last week.

His two sons, Flo and W. K. Zeigfeld, and a daughter, Mrs. Willis E. Ruhl, of Detroit, were at his bedside when he died.

Dr. Zeigfeld was one of the great musical artists of his time. Himself the pupil of such masters as Moscheles, Paderewski, Liszt and Wagner, he also was the discoverer, sponsor, or instructor of some of the most accomplished artists of the present day.

Among students of the greatest contributors to the development of the musical centers of Europe and worked ceaselessly for a true presentation of American ideals abroad.

As president of the Chicago Musical College, which he founded in 1867 and personally directed until 1916, he brought to this country such masters as Joseph Strauss, Emil Sauret, Alexander von Zemlinsky, Arthur Schnitzler, Rudolph Ganz, William Kroll, and a host of others, many of whom were at various times on the faculty of the Chicago college.

In 1872 he won world fame by assembling at the Boston Peace Jubilee three of the most famous military bands of France, Germany and England. He was decorated by France with the Cross of the Legion of Honor and was named Fellow of many of the leading artistic societies of the world, including the Academy of Letters and Art of Italy.

Dr. Zeigfeld was born June 10, 1841, in Jentz, Oldenburg, Germany, where his father occupied an official station in the royal court. In his sixth year he began the study of music, and before his sixteenth birthday he was graduated from the Leipzig Conservatory. He came to America in 1863, "going West," where he held sway in the East.

In the fast growing inland metropolis of less than 200,000 population, the talents of the young musician were attracted the attention of civic leaders and soon afterward, at the behest of Marshall Field, Joseph L. Taylor and others, Dr. Zeigfeld undertook to establish a musical center "commensurate with the material status of the city." The project early took form in the Chicago Musical College, and grew from a mere circle of enthusiasts meeting in the old Crosby Opera House.

Dr. Zeigfeld organized the 24 Regiment of the Illinois National Guard and was its first colonel. Governor Lowden appointed him a brigadier general in 1921.

He also was chairman of the Board of Music awards of the World's Fair here in 1893.

Dr. Zeigfeld is survived by his wife, two sons and a daughter. His great-granddaughter, General Gerard, of Napoleon's staff.

**NEAR END OF WORK
AFTER 36 YEARS**

Noted Astronomers Completing Map of the Heavens—Approximately 800,000,000 Stars.

Paris, May 23.—(A. P. By Mail)—What is regarded here as one of the most interesting and valuable results of modern studies in astronomy is nearing completion in the Paris Observatory after 36 years of painstaking labor. It is a new map of the heavens, the compilation of which has been a task of approximately 800,000,000 stars visible through the powerful telescopes.

Photographing the heavens was a plan first developed by the Paris Observatory, and its then director, Admiral Mouchez, was called here in 1887 to an international congress of astronomers which decided to map the heavens. There were 18 nations, including Mexico, Chile, and the republics of Argentina and Brazil, which agreed to contribute to this work.

The heavens were subdivided, with four French observatories taking the central zones of the heavens. Ten thousand leaves of the photographic map contain stars to the fourteenth magnitude, whereof there are about twenty millions. Stars to the sixteenth magnitude may be seen with the naked eye, and above that, telescopes and other aids are needed.

In reality, it is explained, the number of stars appear to be infinite. As huge lenses are constructed, each increase in the size of the lens reveals a large number of stars.

A few years ago the number of stars was set at approximately one hundred millions. Now that number has been trebled, and as the explorers of new worlds in the universe progress their studies, they find space filled with stars, the light of which reaches the eye of the explorer after years of travel, so distant are these bodies.

Mapping the heavens was a task not undertaken by astronomers previous to 1887, and before the work could be started it was necessary to agree on plans concerning the size of the photographs and means of measurements.

The circus of the Royal Canadian Dragoons at Stanley Barracks, Toronto, doing a few practice stunts.

"TIZ" FOR ACHING, SORE, TIRED FEET

Good-bye, sore feet, burning feet, swollen feet, sweaty feet, smelly feet, tired feet.

Good-bye, corns, callouses, bunions and raw spots. No more shoe tightness, no more limping, with pain or drawing up your face in agony. "TIZ" is magical, acts right off. "TIZ" draws out all the poisonous excretions which puff up the feet. Use "TIZ" now at any drug store, or department store. Don't suffer. Have good feet, glad feet, feet that never swell, never hurt, never get tired. A year's foot comfort guaranteed or money refunded.

ACADIA CLOSING.
The senior class day exercises of Acadia University were held yesterday morning with R. D. H. Wigmore, of St. John, president of the class, in the chair. Frank W. Doyle, of Moncton, was valedictorian and Miss Marjorie Fitzpatrick, of St. John, gave the class history. The class prophecy was given by Vernon L. Pearson. The 29 class members, forty-five, twenty-six men and nineteen women. The closing exercises of the Acadia Ladies Seminary were held last evening.

C. W. L. CHATHAM MEETING.
The second annual diocesan convention of the Catholic Women's League opened in Chatham yesterday. Following a welcome extended by Mayor Hickey, addresses were given by Mrs. Donald Fraser, president of the Chatham sub-division, and Mrs. J. P. Byrne of Bathurst, Acadia president. Following a business session a motor following was enjoyed after which tea was served at the Knights of Columbus building. In the evening a programme was carried out and addresses delivered by Mrs. Lorraine Bishop, LeBlond, and Rev. Father Meader, rector of St. Thomas College.

Common Council
At a meeting of the Common Council yesterday afternoon Commissioner Thornton was authorized to have the work of wiring the West St. John City Hall done by day's labor at a cost not to exceed \$800. The lowest tender received had been \$1,039. His motion that the tender of \$800 by DeLoach and Macle for wiring the west end of the City Market be accepted was passed. A communication from the N. B.

CHAMBERLAIN'S TABLETS FOR CONSTIPATION BILIOUSNESS Headache INDIGESTION Stomach Trouble SOLD EVERYWHERE

Electric Power Commission, giving formal notice that it was prepared to deliver the energy contracted for by the city was read and laid on the table until such time as an opinion from the city solicitor was received, regarding the city's liability to pay for the 10,000,000 k. w. h. contracted for in view of the recent damage to the hydro development at Musquash.

Commissioner Thornton said that if the Power Commission did not have the ten million k. w. h. in reserve for the city, he did not see how it could make the city pay for that amount. It was also decided that the Mayor should arrange a conference with the provincial commission concerning this matter.

A motion by Commissioner Bullock, that the applications from L. Bullock, Albert Wren and McCormack for garden plots on the city property in Manawagong Road be accepted, was carried without discussion.

Commissioner Frink was granted authority to purchase 600 feet of granite curbing to be paid for out of his appropriation.

Commissioner Thornton's request that he be allowed to pool his estimates was granted.

A recommendation from the chairman of the Board of Assessors that the appeal of the Harris Abattoir Co.

**Had Constipation for Six Months
Was Relieved By
MILBURN'S LAXA-LIVER PILLS**

A free motion of the bowels daily should be the rule of everyone, then there will be no constipation, sick or bilious spots, heartburn, foul breath, sour stomach, etc.

Milburn's Laxa-Liver Pills will regulate the flow of bile to act properly on the bowels, thus making them active and regular, removing the constipation and all its allied troubles.

Mrs. R. C. Hunt, Port George, N. S., writes: "I have been troubled by being constipated for the last six months. My tongue has been terribly coated, so much so that it made my breath bad. I was talking to a friend about it, and she advised me to use Milburn's Laxa-Liver Pills, which I did, and now I am perfectly well. My tongue is as smooth as it was before I got that way, and I owe it all to your Pills, of which I only used two vials. Price 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

THE BEAUTY OF HEALTH

Newspapers and magazines are devoting columns of magic for over-night beautifiers. There is a beauty in health that is far more attractive to men than mere regularity of features or a made-up complexion. Health should be the first essential of women who want to win and hold admiration, respect and love. At the first indication of ill health as indicated by dark circles under the eyes, a sallow complexion, headaches, backache, pain in the side, nervousness, irritability and melancholia, women should take Lydia E. Pinkham's Vegetable Compound, the standard remedy for women's ills, which has been proven to help 98 out of every 100 women who try it.

SAYS WIFE PAINTED "BRUISE."
Husband Tells Court She Put Dye on Her Neck.

New York, May 23.—When Samuel Zack, arraigned in Yonkers City Court on a charge of assault preferred by his wife, Anna, was asked how she received the marks on her neck, he testified that she put them there herself. Mrs. Zack, when she obtained the warrant, exhibited a large black and blue mark on her neck. Judge Morris, after hearing Zack's explanation, dismissed the complaint.

**FAMOUS BATTLESHIP ORION
IS SENT TO FINAL BERTH**

London, May 5.—(By Mail).—The battleship Orion has passed to her last berth at Queenborough, Isle of Sheppey.

She led the line at the proudest moment in British naval history—when the Grand Fleet steamed past the Queen Elizabeth, and "cheered Beatty" just after the German High Seas Fleet had been safely asphyxiated in captivity, comments "The London Daily Mail." She went to her doom without so much as the click of a camera to record her passing.

Herded along by fussy little tugs, the once formidable Orion moved like a pitiful broken thing toward the place where she is to be given a last rest. Ere long the busy city man will be jerking over his shoulder a steel from Orion's belt and merry couples will be jangling over dance floors made from the plating which was daily trodden by the feet of weary fighting men during the four years of war.
