

INDIGESTION, GAS OR SICK, SOUR STOMACH

Time "Pape's Diapiesin" In Five Minutes All Stomach Misery is Gone

"Really does" put bad stomachs in order—really does overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that's just what makes Pape's Diapiesin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you belch gas and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment "Pape's Diapiesin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness.

A large fifty-cent case of Pape's Diapiesin will give you a hundred dollars' worth of satisfaction or your druggist hands your money back.

It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick sour, upset stomach during the day or at night. It's the quickest, surest and most harmless stomach doctor in the world.

CALGARY LIBERALS ACTIVE

The Liberals of Calgary have taken on a new lease of life and are making preparations for the most vigorous winter's campaign of their career. They propose to hold two or more meetings every week, and some of the most prominent Liberal speakers in the west will be invited to give addresses.

In fact, the association will go so far as to bring Dr. Michael Clarke, M. P. back from Ottawa for long enough to deliver one of his justly famous orations, says the Western Standard. The date for this notable event has not been definitely set, but it will probably take place in the spring.

The unusual activity in the Liberal ranks is said to indicate that they expect an early federal election, and are accordingly strengthening their forces to the end that they may give the Conservatives a real battle on the occasion of their engagement.

ANNUAL MEETING OF THE MISSION CHURCH

The annual meeting of the congregation of the Mission church, St. John Baptist, was held last evening in the Sunday school rooms, the Rev. Mr. Collins, priest in charge, in the chair. There was a large attendance to hear the reports and statements to the end of last year. These were read and explained by E. T. Sturdee, in the absence of the treasurer, R. Frith, through illness. The amount received was more than \$4,500, including about \$600 for missions and outside objects; and in addition to this there was raised towards the memorial to the late Father Davenport and the deceased trustees more than \$1,100. There is a balance in the treasurer's hands and no outstanding accounts, while the apportionment for diocesan and foreign missions has been met within a few dollars. The position of the church is therefore most satisfactory, and a good year is looked forward to. While the envelope system has been in use for some years with good results, the congregation has this year adopted the duplex system and this is reported to be most satisfactory.

Rev. Mr. Collins opened the meeting by welcoming the people and gave a short account of the work of the year from the spiritual standpoint, pointing out the aim of the Mission church in keeping up the Catholic sacrament and practice in the Church of England.

AFTER FIVE YEARS

Winthrop Child Was Restored To Health by Vinol

"Five years ago our little girl had a severe attack of diphtheria which left her subject to bronchitis and stomach trouble. She has been almost constantly under medical treatment. I have tried also two or three remedies containing cod liver oil, but found her stomach rebelled against the oil. Reading your description of Vinol I decided to try it and did so with most astonishing results. I cannot begin to tell you how she has improved because you do not know what a little sufferer she was for five years. She has gained ten pounds since she commenced to take Vinol, and the story of what Vinol has done for her is only half told in this letter." Mrs. Adelaide Mulloy, Winthrop, Mass.

Vinol contains all the healing curative properties of cod liver oil, without the oil, and tonic iron added. That is why it helped this little girl after other remedies had failed.

I ask mothers of weak, sickly children to try Vinol on my offer to give back your money if it fails to help them. Chas. R. Wasson, druggist, St. John.

NEW BRUNSWICKER WHO MADE A FORTUNE IN CALGARY

Under a picture of J. G. Vanwart, the Western Standard of Calgary says:—"He drove into Calgary in 1888 before the railway came here. At that time the buildings here included the Hudson's Bay Store, R. N. W. P. barracks, and I. G. Baker's store. Mr. Vanwart went into business with J. S. Freeze, but retired a few years ago with a fortune. He was born at Long Island, New Brunswick, and lived for a few years in Woodstock in the same province. He is respected by all citizens for his sturdy, upright life. He delivered a very pleasant address at the maritime banquet.

IT ALL DEPENDS ON THE LIVER

So important is the liver and so great is its influence on the other vital organs of the body that it may be said you have little to fear from the ordinary ills of life so long as the liver is in healthful working order. The digestive processes are so dependent on free action of the liver that any derangement of this organ soon brings trouble.

Biliousness and constipation follow, with headache and depressed spirits. Additional work is thrown on the kidneys, and soon the whole eliminating system is deranged and the blood carries poisons through the body. Careful eating is a great help towards keeping the liver right, but when it does get wrong there is nothing like Dr. Chase's Kidney-Pills to restore the liver to healthful action.

With the secretion of bile by the liver, constipation and biliousness are cured, and the digestive and excretory systems are set in order. It is wonderful the benefit obtained by a few doses of Dr. Chase's Kidney-Liver Pills under these circumstances. A trial will convince you of their superior merit.

METHODISTS ORGANIZE SOCIAL SERVICE UNION

A Methodist social service union was formed last night when Rev. T. A. Moore, D. D., general secretary of the department of temperance and moral reform of the Methodist church, whose headquarters are in Toronto, with three field secretaries, Rev. J. H. Hazlewood, D. D., of Toronto; Rev. Hugh Dobson, B. A., D. D., of Regina, and Rev. W. J. Smith, B. A., of Montreal, met in conference at Centenary church with the Methodist ministers of the city and others from outside points, as well as several laymen, representing the temperance and moral reform committee of the various Methodist churches of St. John.

The following were appointed officers of the newly formed body: J. Willard Smith, president; Percy J. Steel, Enoch Thompson and James Myles, vice-presidents; Major Anderson, secretary-treasurer.

Rev. H. E. Thomas, in the chair, introduced the general secretary who said the object of the meeting was the furtherance of the temperance and moral reform movement in St. John. The establishment of a rescue home in or near the city was discussed and considered favorably by those present. It. Norton Smith, Major Anderson and Thomas Joskins were appointed a committee to enquire into the probable cost of such an establishment, and to go into the matter of ways and means. If such a home should be established the general secretary assured those directly interested that the general department would give some assistance.

The local temperance situation was discussed and Rev. Dr. Moore promised that the department would extend its help in the movement towards moral reform and temperance now on foot in this city. The following resolution was passed:

"This Methodist Social Service Union of St. John desires to express its hearty approval of, and sympathy with, the proposed campaign of the local branch of the Dominion Alliance to bring into force the Canadian Temperance Act in St. John and will co-operate in the movement."

The meeting adjourned.

He—"I called to see your father this afternoon."

She—"Huttering visibly"—"Oh, did you?"

He—"Yes; he has been owing our firm a little bill for some time."

PECULIAR AFTER EFFECTS OF GRIP THIS YEAR

Leaves Kidneys in Weakened Condition

Doctors in all parts of the country have been kept busy with the epidemic of grip which has visited so many homes. The symptoms of grip this year are often very distressing and leave the system in a run down condition, particularly the kidneys which seem to suffer most, as almost every victim complains of lame back and urinary troubles which should not be neglected, as these danger signals often lead to dangerous kidney troubles. Druggists report a large sale on Dr. Kilmer's Swamp-Root which so many people say soon heals and strengthens the kidneys after an attack of grippe. Swamp-Root is a great kidney, liver and bladder remedy, and being an herbal compound, has a gentle healing effect on the kidneys, which is almost immediately noticed in most cases by those who try it. Dr. Kilmer & Co., Binghamton, N. Y., offer to send a sample size bottle of Swamp-Root, on receipt of ten cents, to every sufferer who requests it. A trial will convince any one who may be in need of it. Regular size bottles 75c. and \$1.25. For sale at all druggists in Canada. Be sure to mention this paper.

When through old age the bodily functions become sluggish, Na-Dru-Co Laxatives give gentle, timely and effective aid, without discomfort or distress.

Give her BOVRIL

Bovril presents the goodness of beef in a handy, readily-prepared and easily-digested form. It is a wonderfully warming winter beverage. It builds up the weak constitution and strengthens the strong one. It guards against the attacks of colds, chills and influenza.

Directions on every bottle.

The million packet soup

This soup, of which millions of packets have already been sold; this soup, which has taken over a quarter of a century to perfect; this soup, which is prepared from the finest of Irish garden-grown vegetables—surely it is worth making the right way.

Boil it for half-an-hour at least. Give it plenty of time to cook. It's worth it.

Edward's Soup is good as a soup by itself, it is good as a strengthening of other soups; good as a thickener of gravies; good for babies, good for stew—too good to be spoiled by insufficient boiling.

EDWARDS' SOUPS

But you must give them half-an-hour—worth it.

Three varieties—Brown, Tomato and White. 5c packet, and 15c tin; but the 25c tin comes cheaper.
