The Ring
Tom Sharkey.

Tom Sharkey—more able boxer than able seaman, and more able financier than either, says: "I've seen 'em all, Palmer, McCarty, Willard, Kearns and the others," said the burly sailor, with a tired expression on his classic features, "and there ain't one of them worth a silver quarter. These big guys nowadays don't know how to fight. They just stand up and maul each other, getting the dough as easy as they can. Jeffies may have been a dead one when Johnson beat him, but when he was right like the time he fought me at Coney Island—nobody could have whipped him. Old Bob Fitzsimmons could have, though, all these here while hopes in the same ring the same night, and the same goes for me. I'd have eaten 'em up in one big gulp!"

Shevlin Hopes for Title.
Eddie Shevlin, a popular Roxbury welterweight, has returned to his home after a successful trip to New York. Shevlin was in the big city for a couple of months. While there he engaged in four contests and won them all. At the same time, he made a hit with the Gotham boxing fans. He defeated Kid Curley of Buffalo; Joe Seiger of Denver; Kid Fleming of Old Town, Me.; and Paddy Sullivan, of New York.

After the Sullivan contest he was to have met Young Ernie in Philadelphia and Ray Brown in Cleveland, but as he injured his arm in the contest with Sullivan, he was forced to cancel these matches and take a rest.
While in New York, Eddie trained with Buck Cruise, the Pittsburgh middleweight, and Jack Britton, the clever and hard-hitting Chicago lightweight, and learned a great deal about the many art of self-defense from this pair. His arm is now all right again, and he is a contender for the welterweight title. He is a real 142-pounder, and is open to meet any 142-pounder in the world.

Jeanette To Box Clarke.
Joplin, Mo., Jan. 2.—Joe Jeanette, negro heavyweight pugilist, and Jeff Clarke of this city have been matched to box ten rounds here January 17.

ROUGH ON BILL.
A Newberrie relates this: "I have a friend in Buffalo who is something of a gay sport. He told me if I ever came his way to look him up. I had occasion to go to Buffalo, and gave my friend's address to a taxi cabby. When I got to the house I told the cabby to wait, as I was not sure if Bill was home and it was late at night. I rang the bell and a woman answered. "Is this where Mr. — lives?" I inquired.
"Yes," said the woman, "bring him right in."
