

est and efficient teachers, some of the classes being overcrowded, and two without regular teachers, and an appeal is again made to the friends of the Sabbath School in the congregation to come and help. What was anticipated in the beginning of the year with regard to the Bible Class has been more than realized, the membership having increased to 156, and the average attendance being now 100 each Sabbath. In consequence of this large increase the Bible Class has had to meet in another apartment, which, in some measure, is to be regretted, as it detracts from the interest of the opening and closing exercises.

Collections for ten months in Bible Class, \$26.

The average attendance during the year in the Central School has been 146. Boys, 66 ; girls, 80.

Number of scholars on roll, about 200.

The ordinary collections have increased during the year, but the interest in the Pointe aux Trembles Mission has greatly abated, the collections for 1876 only amounting to \$22.92.

The Library has been replenished by the addition of 125 volumes of new books during the year, and is now in good working order, and is largely used, more particularly by the girls.

Five different Sabbath School papers have also been distributed: "Words of Life," "Everybody's Paper," "Visitor," "Temperance Banner," "Child's Paper."
