CORSETS AS CURATIVES.

(CANADIAN JOURNAL OF FABRICS.)

Previous to the year 1708, when the world-renowned Herman Boerhaave, announced the principle that males and females breathed differently little thought was given to the subject.

For years the medical faculty, have recognized the fact, that consumption was peculiarly a male disease, or that it claimed a much larger proportion of what caused the difference in civilization men and women, males than females.

Dr. Hay after long residence with the Indians has proved conclusively that Indian men and Indian women breathe precisely the same; this raised the question of and the reason was looked for in the mode of dress.

Constriction of the waist causes costal breathing with both male and female hence the corset must be the cause as it restrains abdominal and promotes costal breathing; this inflates the lungs and consequently renders the female more liable to consumption than the male.

Until this fact was recognized corsets were of no more importance than any other article of wearing apparel; but now this question is lifted out of the limited sphere of mere dress into the realm of hygiene and longevity.

We do not know whether the above is the reason for our increased sale of corsets or not; certain it is that our trade in this line shows decided improvement. We have the reason may be looked for in the fact that we have lately added some new styles giving us not only the good makes but rather we might say all that we have are good makes.

HOUSE OF ASSEMBLY.

Dr. Aikin's Women Suffrage Bill.

BY TELEGRAPH TO THE GAZETTE.

FREDERICTON, March 25.—Last evening Dr. A. Aikin, after congratulating the government on the liberal franchise bill, said there was an important defect or omission in it. He would like to have seen in it a provision extending the franchise to widows and spinsters. It might be said that we should follow and not lead the world. He referred to the fact that in some of the colonies, such as New Zealand, the franchise was given to widows and spinsters. He would like to see a demand in favor of giving to women the right to vote for members of the assembly.
