

Representative and Champion of American Art Taste.

# THE ALDINE

THE ART JOURNAL OF AMERICA. ISSUED MONTHLY.

A MAGNIFICENT CONFECTION. WONDERFULLY CARRIED OUT.

The necessity of a popular medium for the representation of the productions of our great artists, has always been recognized, and many attempts have been made to meet the want. The successive failures, which so invariably attended such attempts in this country to establish an art journal, did not prove the indifference of the people of America to the claims of high art. So soon as a proper appreciation of the want and an ability to meet it were shown, the public at once rallied with enthusiasm to its support, and the result was a great artistic and commercial triumph—THE ALDINE.

THE ALDINE, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant and literary of pure, light, and graceful illustrations, and a collection of the finest specimens of artistic skill, in black and white. Although each succeeding number adds a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it is bound up at the end of the year. While other publications may claim superior cheapness, as compared with those of similar class, THE ALDINE is a unique and original conception—alone and unapproached—absolutely without competition in price or character. The possessor of a complete volume can not duplicate the quantity of fine paper, the number of illustrations, or the number of volumes for ten times its cost; and there is the chronic, besides!

The editorial feature of THE ALDINE must be taken into account. The artistic composition. While THE ALDINE is a strictly American institution, it does not confine itself entirely to the reproduction of native art. Its mission is to cultivate a broad and appreciative taste, and that which discriminates only groups of artistic merit. Thus, while placing before the patrons of THE ALDINE, the leading characteristics, the productions of the most noted American artists, a section will always be given to specimens from foreign masters.

The artistic illustration of American scenery, original with THE ALDINE, is an important feature, and its magnificent plates are of a size, and so proportioned, that they can be treated in detail than can be afforded by any inferior page. The judicious, unobtrusive, and unobtrusive manner, and administration, of THE ALDINE, is an important feature, and its magnificent plates are of a size, and so proportioned, that they can be treated in detail than can be afforded by any inferior page.

**PREMIUM FOR 1875**  
Every subscriber for 1875 will receive a beautiful portrait, in all colors, of the same noble dog, whose picture in a former issue attracted so much attention. This portrait is a reproduction of the original painting by the artist, and is a valuable addition to the collection of every art lover. The portrait is executed in oil, and is a fine specimen of the artist's skill. It is a valuable addition to the collection of every art lover.

THE ALDINE ART UNION.  
The Union owns the originals of all THE ALDINE illustrations, which, with other paintings, are to be distributed among the members. To every series of 500 subscribers, 100 of the best pieces, valued at over \$2,000, are distributed as soon as the series is full, and the awards of each series are made to be published in the next succeeding issue of THE ALDINE. This feature only applies to subscribers who pay for one year in advance. Full particulars in circular sent on application enclosing a stamp.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native Lefort found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Walker's Bitters?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded, possessing the remarkable qualities of Walker's Bitters in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Gonorrhoea, inflammation of the Liver and Viscera, Bilious Disorders, &c.

If men will enjoy good health, let them use VINEGAR BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form.

**H. H. McDONALD & CO.,** Druggists and Chemists, 200 Water St., New York, and cor. Washington and Chestnut Sts., New York. Sold by all Druggists and Dealers.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison, and other vices, and vital organs wasted beyond repair.

Grateful Thousands proclaim VINEGAR BITTERS the only remedy for Bilious Disorders, Bilious Remittent, and Intermittent Fevers, which are produced in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Arkansas, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mexico, Savannah, Roanoke, James and other rivers, with their vast tributaries, throughout our entire country during the Summer and Autumn months, and which, during these seasons, usually heat and dryness, are invariably accompanied by excessive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence on the various organs, is essentially required. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark bilious viscid matter with which the system is impregnated, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the abdominal organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Brightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Flatulency, Derangement of the Bowels, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, which excoriates, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Lardaceous Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Scars, Bores, &c., &c., is cured by the use of VINEGAR BITTERS, which have shown their great curative powers in the most obstinate and intractable cases.

**For Inflammatory and Chronic Rheumatism, Gout, Bilious Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder,** these Bitters have no equal. Such Diseases are caused by Viciated Blood.

**Mechanical Diseases.**—Persons engaged in Painting and Mining, such as Plumbers, Dry-wallers, Grinders, &c., who, as they advance in life, are subject to paralysis of the Bowels, to guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

**For Skin Diseases, Eruptions, Itch, Salt Rheum, Blotches, Spots, Pimples, Bores, Boils, Carbuncles, Ringworms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.**

**Pain, Tape, and other Worms,** existing in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuge, no cathartic, will free the system from worms like these Bitters.

**For Female Complaints,** in young or old, married or single, at the time of confinement or the time of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

**Justified.**—In all cases of jaundice, we are assured that your liver is not doing its work. The only sensible treatment is to promote the secretion of the bile, and favor its removal. For this purpose, see VINEGAR BITTERS.

**Cleanse the Filiated Blood** which ever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

**H. H. McDONALD & CO.,** Druggists and Chemists, 200 Water St., New York, and cor. Washington and Chestnut Sts., New York. Sold by all Druggists and Dealers.
