

Some people labour under the delusion that a commonplace thought can be elevated to the dignity of an aphorism by giving it an aphoristic form. To this class belongs the Rev. William Philpot, "Vicar," as he describes himself, "in the orders of the Church of Christ 'Head of England.'" Under the title *A Pocket of Pebbles* (P), he has put together a volume of fragments of reflection, very few of which were at all worth preserving, while some are simply without intelligible meaning, and others are mischievously narrow and untrue. How will the average "Philistine" of the day, for instance, smack his lips over such a statement as this?—"Not only in word, but too often in deed also, there is but an iota of difference between the aesthetic and the athletic"—an assertion which is either false, or, if true, is the very best possible vindication of the "atheism" at which Mr. Philpot means to strike. "Of a like spirit it is this:—"The people who want to make out that the Scripture is false are generally, if not universally, those who know that they are on the way to be damned if it be true." Here and there in Mr. Philpot's pages is to be discovered a trace of liberality, though never of depth, of thought; but on the whole it will certainly repay nobody to sift this pocket of pebbles in the hope of finding some unpolished jewel. [From the Scotsman.]

WHAT PAYS?
 IT PAYS every Manufacturer, Merchant, Mechanic, Inventor, Farmer, or Professional man, to keep up with all the improvements and discoveries of the age.
 IT PAYS THE HEAD OF EVERY FAMILY to introduce into his household a newspaper that is instructive, one that fosters a taste for investigation and promotes thought and encourages discussion among the members.

The Scientific American
 which has been published weekly for the last thirty one years, does this, to an extent beyond that of any other publication; in fact it is the only weekly paper published in the United States devoted to MANUFACTURES, MECHANICS, INVENTIONS, and NEW DISCOVERIES in the arts and sciences.
 Every number is profusely illustrated and its contents embrace the latest and most interesting information pertaining to the Industrial, Mechanical, and Scientific Progress of the world. Descriptions, with Beautiful Engravings of New Inventions, New Implements, New Processes and Improved Industries of all kinds; Useful Notes, Receipts, Suggestions and Advice by Practical Writers, Workmen and Employers, in all the various arts, forms a complete history of New Inventions and Discoveries containing a new record, not only of the progress of the Industrial Arts in our own country, and also of all New Discoveries and Inventions and every branch of Engineering, Mechanics, and Science abroad.

PATENTS.
 In connection with the SCIENTIFIC AMERICAN, Messrs. Munn & Co. are Solicitors of American and Foreign Patents, and have the largest establishment in the world, more than fifty thousand applications have been made for patents through their agency.
 Patents are obtained on the best terms. Models of New Inventions and Sketches examined, and advice free. A special notice is made in the Scientific American of all Inventions Patented through this Agency, with the name and residence of the Patentee. Patents are often sold in part or whole, to persons attracted to the invention by such notice. A pamphlet containing full directions for obtaining Patents sent free. THE SCIENTIFIC AMERICAN Reference Book, a volume bound in cloth and gilt, containing the Patent Laws, Census of the U. S., and 142 Engravings of mechanical movements. Price 25 Cents.
 Address for the Paper, or concerning Patents, MUNN & CO., 37 Park Row, New York, Branch Office, Cor. F. and 7th Sts., Washington D. C.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.
 If men will enjoy good health, let them use VINEGAR BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form.
 H. M. McDONALD & CO.,
 Druggists and General Agents, San Francisco, California, and cor. Washington and Charles Sts., New York.
 Sold by all Druggists and Dealers.
 No Person can take these Bitters according to directions, and remain long unwell, provided their houses are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.
 Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.
Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Bayou, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's California Vinegar Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.
**Dyspepsia or Indigestion, Headache, Pain in the Stomach, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement. Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Lululent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c., &c. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.
 For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.
Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Cooks, Boilers, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.
 For Skin Diseases, Eruptions, Tetter, Salt Rheum, Bores, Spots, Pimples, Pusules, Boils, Carbuncles, Ringworms, Scald Head, Itch, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.
 Pits, Taps, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no antihelmintics, will free the system from worms like these Bitters.
 For Female Complaints, in young or old, married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters display so decided an influence, that improvement is soon perceptible.
Jandice.—In all cases of jaundice, rest assured that your liver is not doing its work. The only sensible treatment is to promote the secretion of the bile and favor its removal. For this purpose use VINEGAR BITTERS.
 Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
 H. M. McDONALD & CO.,
