

(From Friday's Dails.)

-Yesterday's Nanaimo Free Press says: "Although Moran Brothers' big barge is still tied up alongside Union wharf, their whole available force is engaged in preparing the Willamette for the expected order to bundle and let go. Steam is up on the vessel and the men are climbing all over her like ants at a flitting, and by the time the order for release comes from Ottawa everything necessary to be done aboard the vessel itself will have been done."

for the month was 82; the highest num Birds," by Dr. E. Stanley, and the "Report of the Superintendent of Public Instruction for October, 1809-1900."

-A meeting of the prize col the B. C. Agricultural and Mineral Association will be held in the usual place on Monday evening next, while the re-gular monthly meeting of the general board will be held on Wednesday. The latter session will be of the greatest immeetings, together with Messrs. Elliot, portance, for reports from the sub-committees will be submitted, and the arrangements in general advanced toward the latter two concluded their institute All the members are expected to be in attendance.

-The following appointments were made at vesterday's meeting of the Victoria district conference of the Methodist church: Rev. E. S. Rowe, to the stationing committee; Rev. W. A. Baer, to the P. Hicks to the Epworth League committee. At the meeting of the Missionary Society the following officers were elected: President, Mrs. J. F. Betts; 1st vice-president, Mrs. Watson; 2nd vice-president, Mrs. Crosby; 3rd vicepresident, Mrs. Sexsmith; corresponding secretary, Mrs. Chapman; recording secretary, Miss Morgan, and treasurer, Mrs.

-At a meeting of the school board last evening it was decided to apply to the education department for permission to institute half day classes for the primary divisions, in order to provide the accommodation required. The lower classes, in some of which there is a great excess of the maximum number allowed, may be divided and the difficulty at present obviated. If permission is not granted it will be necessary for another teacher to be engaged and more room acquired, particularly in south ward. The question of accommodation has become a vital one, and the only adequate solution will be the passage of the High School By-law and the construction of the new building. The general monthly meeting of the board will be held next Wednesday.

Arrangements have been completed for the board of trade excursion to the unt Sicker mines and logging camps of the Victoria Lumber & Manufacturing May 18th. The fare for the round trip

Safety for Winners

The workingman is the backbone of the nation. His industry, his integrity, his brains and his muscle not only contribute to the support of his family, but to wealth of the country as well. But constant work means wear and tear on the machinery of the human frame. The human constitution needs as much

attention as the finest piece of machinery, else a health breakdown may occur. To guard against such a breakdown a tonic medicine should be frequently taken, and the world over it has been proved that

D. Williams Pink Pills for Pale People

have no equal as a blood builder and nerve restorer. Thousands and thousands of men and women on the verge of a break-down have, through the use of these pills, been made strong, and fit for the every day duties of every day life.

-PROOF OF CURE.-

Mr. F. Mission, a well-known resident of Deleau, Manitoba, says :- "From personal experience I can speak in the very highest terms of Dr. Williams' Pink Pills as a medicine for building up those who are weak or run down. I found myself suffering from extreme nervousness accompanied by frequent violent headaches, and loss of appetite. As a result I soon grew extremely weak, and the least work would fatigue me I tried several medicines, but without gaining any strength until I began the use of Dr. Williams' Pink Pills. I had not taken the pills long before there was a marked improvement in my condition, and the use of a few boxes restored me to perfect health. There are few men who do not at some time or other feel weak and run down and to such I can recommend Dr. Williams' Pink Pills with every confidence that they will restore them to a condition of health and vigor.

There are many imitators trading upon the reputation of this great medicine, and it should be remembered that the imitations are worthless, often dangerous. Only the genuine have the full name "Dr. Williams' Pink Pills for Pale People" on the wrapper around the box. If in doubt send direct to the Dr. Williams Medicine Co., Brockville, Ont., and they will be sent post paid at 50 cents a box or six boxes for \$2.50.
