A Cardinal Sin.

CHAPTER XL [Continued] REPENTING AT LEISURE.
Why should she believe? Her father to whom she had lisped her earliest words, or Josephine fully understood the meaning of her husband, who a few weeks ago, was a her father's sorrowful prognostications. stranger to her. Like every woman, sad as the fact is, she believed her husband. thrown; but the fall of it had crushed the

After all, a woman's future life is in her brightness out of her, and she was now a husband's hands, and one likes to fence with girl in years, but a woman in sadness and misfortune as long as possible, to keep off lost illusions.

while one can the deadly thrust which takes For a while the two went on fairly well. -AND ALL KINDS OFaway, not life, but hope, youth, trust, love The young wife could deceive herself; she -all that is worth living for. Pity Jone- would not meet the truth. As long as her phine, do not blame her. She will want husband loved or pretended to love her, she

> ment, smoking, as was his usual custom.
>
> He did not smoke at any particular time or he grandiloquently called it. She hinted in any particular place—he simply smoked at this as de'icately as she could; then venwhen he could. It was one little flaw in his tured to ask him outright to make the behavior which Josephine had as yet con- promised settlement. First he evaded the loned. She called him in. 'We must be quick,' he said. 'Do you

want to pack anyth g?'

'Yes; a few things.' So Mabel and Josephine went up-stairs.

Approachment took place he was ready to do approachment to approach to approachment to approach most severe things to her sister when an opportunity occurred, changed her mind at the chilling dread crept into the girl's heart. sight of the little girl's evident distress - Had she been deceived -- was her father's and comforted, petted and caressed her. What version the true one? If so, what could she censure she gave fell on Digby's shoulders, think of her husband? In a very short not on Josephine's. Mabel had always acted time the idol began to totter. the elder sister, but to-day Josephine, with Allan and Digby did not hit it off toher new troubles and uncertainties, felt gether. Her brother had been to see her years her senior. Besides, she dare not tell several times. He was too fond of her to her anything that had transpired between forsake her because she had made an im-

her father and herself at their recent inter-view. She could only say he had fully for-and, by common consent, disliked each given her, but not Digby.

'I should think not,' said Mabel, whose Mabel as to Josephine having been the vice wrath was hot against her brother-in-law. tim of a spacious cad-for he saw through They just caught the 4.40. Both were veneer. Indeed, latterly, Digby had not very silent driving to the station. Josephine taken so much trouble to snow a polished was too unhappy to talk, and her husband surface, and some of of his sayings and dohad a delicate question to decide. He had ings were, to say the least, a matter of by now come to the conclusion that Mr. surprise to his worshipper. Bourchier had been quite right. He had Then money troubles began. Digby was been too clever. The price he had been expensive in his tastes, and Josephine paid or had taken was inadequate. If he had been more matter of fact, and abjured At the end of the first year they were deepanything romantic, he might have done re- ly in debt. He wrote to Mr. Bourchier, and markably well. He might, he believed, demanded money to pay his creditors. Mr. have sold his silence to Mr. Bourchier for, Bourchier sent the letter back torn in balf. say, twenty or thirty thousand pounds, if Then he insisted upon Josephine making an he had been content to go in for simple appeal to her father. She was kindly but extortion money. As it was, he had won in the delicate game he had been playing eight hundred a year and a wife. He had over reached himself. Like all young players, a deep finesse had been an irresistible tempta-tion—the finesse had failed. The new trump the request; only her husband's entreaties which marriage had brought into his hand command even-had induced her to sink so was his antagonist's love for his daughter; low. It was when she returned empty

but it had not scored as he thought it would.

In plain words, he had been defied to do his saw once for all her husband in his true the lining of which can be taken out for cleaning of his plain words, he had been defied to do his saw once for all her husband in his true the lining of which can be taken out for cleaning of his plain words, he had been defied to do his saw once for all her husband in his true worst-and what was his worst? He was in | lurid light-saw his face without even the a weaker position than when he was dismissed with contumely after his first interview with Philip Bourchier, and he scarcely saw where the card of the value of Stoke's come from his lips—directed at her—and evidence, which changed the aspect of the then the girl knew what she had done, and game, was now to come from. And Jose- shuddered at the future. Her butterfly phine? Of course he was very fond of her, days were indeed over.

as he was of all pretty girls who loved him-Somehow Josephine did not look so pretty ried it out with deliberation and purpose to at this moment. Her father had been right in calling her a butterfly. Rain does not Mr. Bourchier through his child; it was her improve butterflies, and tears did not impreove Josephine. Great, dark, tragic chase. He did not absolutely bring physical violence to bear upon her, but for a time may be more attractive than ever in their tried every other method by which a man be tried every other method by the man be tried every other method by which a man be tried every other method by which a man be tried every other method by which a man be tried every other method by which a man be tried every other method by which a man be tried every other method by which a man be tried every other method by the man be tried every othe woe; but little, fair, bright women, should never weep. Their skins are too thin, and law. Josephine was not altogether weak the nervous sanguine complexion has a knack and silly; certain characters show unexpect of reddening. Josephine, when in good ed traits under certain circumstances. She of reddening. Josephine, when in good ed traits under certain circumstances. She spirits, and with everything pleasant in life amrounding her, was as charming a little blonde as you could meet with; but tears did not suit her; and on the drive to Paddington possessed a good deal of pride—the Bourshe wept copiously and vigorously. Her grief was enhanced by the fact of the newly married couple being allowed to depart in a made her life unbearable that she sought her hansom—not being taken properly to the station in her father's carriage. It was the brutal husband had counted upon. He station in her rather's carriege.

first taste of the bitter future. Scarcely ment after her, forced his way into the pathetical—bathetical, rather—but ominous. house, and claimed his wife. It was only

Her husband noticed her changed appear- Mr. Bourchier's express command which ance, and wondered how it was he ever thought her so beautiful. This was the home, from throwing him out neck and crop. ackney 'little rift within the lute," He asked her one or two questions. 'What did the old fellow say to you?' was

She gave a little shiver. The form in which he couched his enquiry struck her as if proceedings were commenced in th being, if not atrociously vulgar, too familiar. 'Oh, I can't tell you. Such dreadful things, Digby; they are not true?' The question did not imply doubt, only in the general explosion. If, on the desire to be doubly assured. 'True !' he said, with an irritable laugh.

'If they were to my detriment, you may depend they are not true. He onght to know better for his own sake.' He was sileut for a little while, busy with his own thoughts. He forgot his wife's

"Cursed old fooi!" he hissed out, with an nmistakable emphasis. 'Who? Who, Digby?' she said; and as she spoke the pale, careworn, but loving face of her father rose before her. He saw the ship he had made.

'The fool driving. We shall never catch the train. His explanation was adroit; but as the cabman was a very young man, and at that moment was lashing his horse and driving like a fury in hope of earning the extra fare promised to him, it scarcely satisfied Josephine. She dared not own her doubt, even headache, etc., infesting the human system to herself; but she felt as one of the devotees Turn them out and keep them out by using to the Prophet of Khorassan might have felt, if an inch of the veil had slipped aside for a second, and had been so quickly re-placed as to leave her uncertain whether the glimpse of horror she saw was real or

He asked her some questions also as to what sort of a fellow her brother Allan was. He had not yet met him, these momentor events having occured in an time, while Allan was in research at Oxford. Neither had be met the larger son, Kenneth, who was a delicate lad, and under the care of a private tutor at Bournemouth. Allan being a subject Josephine could enlarge upon, she did so, and finished up her panegyric by prophesying as to the friend-ship which would at once spring up between two such high-minded persons as her hus-band and her brother; and all the while she

spoke the thoughts of the former ran in this liver troubles, etc., the outlook is blue. restored by the use of Burdock Blood
