CUSTOMER'S REASONABLE WISH IS THIS STORE'S PLEASURE

Silk Shirt Waists

Our Silk Shirt Waists which we bought for the Christmas trade arrived the day after Christmas. We refused to take them from the manufacturer, and after some correspondence they have agreed to make us a concession. You will know what this concession is the minute you see the waists and know the prices on them. They are, without doubt, the most attractive silk waists we have ever shown, and the quantity being very large and bought especially for the trade that has now gone by, you make a great saving by buying an evening or every day serviceable waist from this lot. They are in white, light blue, brown, navy, green and black, and the prices run from

\$2.65 to \$6.75
