How many of the teachers are heads of families?

How many of the pupils have been converted during the year? How many of the teachers?

Grounds of encouragement. Difficulties retarding the school's usefulness.

Hints or suggestions arising from the teachers' or superintendents' experience.

In conclusion, your committee beg to express a hope that Sabbath Schools will henceforth receive a larger share of the attention, interest, and prayers of the pastors and members of Baptist Churches in this part of the Province, than has hitherto been bestowed upon them, and that every proper and well directed effort will be energetically put forth by ministers and people, not only to increase the number and enlarge the attendance of the Sabbath Schools, but also to so improve their efficiency as to render them more truly than ever "Nurseries for the church." A. H. MUNRO.

The course of Study comprises the usual branches of a Commercial, Classical and Mathematical Education.

## REPORT.

The Managing Committee are thankful in being able to Report, that the Seminary at Fredericton has been favoured with an encouraging measure of success during the past year. The attendance has been well sustained, the number, for the year, being sixty-four; but as changes are continually occurring, and those who enter do not all remain the whole year, the weekly attendance has not been so large; according to a record kept of those who are actually present every week, the average number has been forty.

The Principal also reports favourably of the diligence manifested by the Pupils generally, and especially by the young men under his instruction; and the hope may be cherished, that, in addition to the acquisition of secular knowledge, religious impressions of a very
