

# The Woman's World

THE Women's department of the Standard is conducted by Miss Hazel Winter of Fredericton, supervisor of the Women's Institutes of New Brunswick, and all matter for publication in this page must be submitted to Miss Winter for approval.

## Recent Reports From The Women's Institutes

A few weeks ago we published in this paper several reports from the different branches. Since that time many splendid reports have been sent in to the supervisor, and as briefly as possible we shall give an account of the monthly meetings of the interested readers of this page.

Some Institutes have a decidedly varied programme, and choose their subjects as much as possible to suit the month of the year.

The Institutes hold their meetings in either public halls or homes of the members, and the programmes include not only papers and addresses on subjects of interest to all homemakers, but musical numbers as well, and the majority of Institutes serve light refreshments at the close of their meetings, thus developing the social side of the Institute.

**Albert.**

The president, Mrs. I. C. Prescott, was given the very appropriate subject of "Short Cuts in Housekeeping" for the May meeting, and many helpful hints were given. Miss G. C. McIntyre's paper on "Training of Young Children" proved equally as helpful. There are many willing workers in this branch and that means a progressive Institute.

**Andover.**

This Institute is three years old this month and the president, Mrs. James E. Porter, elected at its inception.

### RINGWORM ABOUT CHILD'S HEAD

In Several Places, Blister Raised Up, Swollen and Scaly. Hair Fell Out. Cuticura Soap and Ointment Cured in Four Weeks.

Lorne, Que.—"My little son, aged nine years, was afflicted with ringworm in several places about his head. The ringworm began with a few pimples and as it grew worse it was one dark colored blister raised up and swelled. It was kind of scaly. The worst place was behind his right ear. It was about the size of a silver dollar, dark and swelled, the worst kind I ever saw. It used to pain so he could not rest. It looked very badly. His hair fell out gradually.

"Finally I sent for a sample of Cuticura Soap and Ointment. I used to take hot water and the Cuticura Soap and that used to clean it off. Then I would put the Cuticura Ointment on the affected part. There was pus in the sores and the Cuticura Ointment drew that out and healed at the same time. We saw the Cuticura Soap and Ointment were very good so I got some more and it was four weeks from the time I started using the Cuticura Soap and Ointment till he was completely cured." (Signed) Mrs. Thos. Bagley, May 26, 1913.

**FOR RED, ROUGH HANDS**

Chapped and bleeding hands, with itching, burning, palms, shapeless nails and painful finger-ends, a one-night Cuticura treatment works wonders. Soak hands, on retiring, in hot water and Cuticura Soap. Dry, anoint with Cuticura Ointment and wear old, loose gloves during the night. Cuticura Soap and Ointment sold everywhere. For liberal free sample of each, with 25-c. book, send post-card to Peter Duggan & Chem. Corp., Dept. D, Boston, U.S.A.

## A Good Breakfast For Five Cents

The food that supplies the greatest amount of digestible nutriment at smallest cost is

# SHREDDED WHEAT

the only breakfast cereal made in Biscuit form. Contains all the body-building material in the whole wheat grain made digestible by steam-cooking, shredding and baking. Two Shredded Wheat Biscuits, eaten with hot milk and a little cream, make a complete, perfect meal at a cost of four or five cents. Ready-cooked, ready-to-serve.

Always heat the Biscuit in oven to restore crispness. Two Shredded Wheat Biscuits with hot milk or cream will supply all the energy needed for a half day's work. Deliciously nourishing when eaten in combination with baked apples, stewed prunes, sliced bananas, canned or preserved fruits. Try toasted Triacuit, the Shredded Wheat wafer, for luncheon with butter, cheese or marmalade.

**Centre Napan.**

Evidently "Courtesy" was the chief topic for May, as Mrs. A. G. Dickson, the president, read a paper with that title and this was followed by a paper on "Etiquette of Letter-writing" by Miss Nellie Stothart. It was decided at this meeting to have an entertainment in June to raise funds to put a fence around the Public Hall grounds. The subject chosen for the debate held in April was—"Resolved that agriculture is the greatest of professions." Many good points were brought out on both sides but the Judges decided in favor of the affirmative.

**Clifton.**

A very ambitious Institute and one which always sends in a full report each month. Mrs. A. R. Wetmore, the president, has every reason to be proud of the work done. Their programme is made out for the year and printed programmes are distributed among the members, which certainly adds to the dignity of any organization. Mrs. Puddington's paper on "The Fly Peril" resulted in a lively discussion by all members present. Miss Helen Wetmore prepared and served a delicious salad at the May meeting, giving her recipe for dressing. We are pleased to note that the Clifton Branch has sent for and obtained the bulletins recommended by the Department and we hope other Branches will do likewise.

**Corn Hill.**

Another Institute much interested in the school and if you just put on your "thinking-cap" you will remember that a paper written by Mrs. Chester Keith, the president, was recently published in the Standard, bearing directly on this important subject of the Women's Institute co-operating with the public school to bring the latter up to the high standard which it ought to hold in every community.

**Ford Mills and Seersville.**

Better known as the "Welfare" Branch. Before the date of the May meeting, Mrs. James Reers, the president, with the help of a kind friend, cut out a number of aprons and when the eve of the meeting arrived, these were passed around, each member taking one. This means a sale in the near future and we wish them the best of luck with their sale. The members deserve much praise, as co-operating with the Agricultural Society, they have been successful in building a public hall which is certainly a credit to their community. A library was purchased recently and at the May meeting two librarians were appointed to take charge of the books.

**Debec.**

Twenty-two, including members and visitors were present at the May meeting of the "Richmond" Branch. For the first time the members conducted a Question Box, and answers were given by different ones, not only on Institute work, but on such questions as "What is good for tired feet?" The best to go right along from morning until night and clean house or should a rest be taken after dinner? The Institute women having a dressmaker was also discussed and the picture of the gasoline flat iron was shown by the Secretary. Prices were quoted of purchasing same. The president, Mrs. A. T. Henderson, has never missed a meeting since organization.

**Elgin.**

Although not yet a year old the women of this Branch have ever showed their interest in the work and such subjects as "Notable Women of Canada," "Making Home Attractive," "Hints on mending and darning" and "Patriotism" have been discussed and thoroughly enjoyed. We trust the members will continue to give the president, Mrs. A. Goggin, their hearty support.

**Florenceville.**

Last week we published a paper written by a member of this Institute and as a question on "The Care of the Feet" was asked by a member of

the Debec Branch, no doubt Miss Mc-

Calder's paper will prove very helpful.

"Meat Substitutes" was the subject assigned Mrs. Fleke, the president at a recent meeting, and she was able to give the members many helpful ideas.

Fredericton.

We have very little to report for the last month's meeting as much time was devoted to ways of entertaining the delegates at our Annual Meeting.

However, Doctor McDonald's paper on "Contagious Diseases" given at the April Meeting, proved so very interesting and instructive, we have asked him to let us publish it as an "extra paper" in the Annual Report of the Women's Institute, and he has kindly consented to do so.

This Branch anticipates doing civic improvement work this year. Our President, Mrs. A. E. Kibbura, before coming to this city, was president of the York Institute.

**PILES**

Dr. Chase's Ointment will relieve you at once and as certainly cure you. It is a sure cure for hemorrhoids, piles, and all other ailments of the rectum. It is sold by all druggists and is the only one that is guaranteed to cure.

**Liver Pills**

It is impossible to be well, simply impossible, if the bowels are constipated. Waste products, poisonous substances, must be removed from the body at least once each day, or there will be trouble. Ask your doctor about Ayer's Pills.

**WOMAN REFUSES OPERATION**

Tells How She Was Saved by Taking Lydia E. Pinkham's Vegetable Compound.

Logansport, Ind.—"My baby was over a year old and I bloated till I was a burden to myself. I suffered from female trouble so I could not stand on my feet and I felt like millions of needles were pricking me all over. At last my doctor told me that all that would save me was an operation, but this I refused. I told my husband to get me a bottle of Lydia E. Pinkham's Vegetable Compound and I would try it before I would submit to any operation. He did so and I improved right along. I am now doing all my work and feeling fine.

"I hope other suffering women will try your Compound. I will recommend it to all I know."—Mrs. DANIEL D. E. DAVIS, 110 Franklin St., Logansport, Ind.

Since we guarantee that all testimonials which we publish are genuine, it is not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner?

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

Write to Lydia E. Pinkham, Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

**GOLD WATCH FREE.**

A gold watch is a valuable possession. It is a sure sign of wealth and a sure sign of success. It is a sure sign of a good life. It is a sure sign of a good future. It is a sure sign of a good world. It is a sure sign of a good God. It is a sure sign of a good life. It is a sure sign of a good future. It is a sure sign of a good world. It is a sure sign of a good God.

**Church Union.**

This was the topic of the latest report of the Assembly. Following the opening of the committee and ear caused the question from the view. The report of the was presented by the Rev. J. Clarke of Westmount, and by Principal McKay of Vancouver.

**May Elders be Moderators?**

An overture was presented at the assembly at an early stage of the proceedings, seeking a change in the traditional practice of the "moderators" shall be moderate several courts of the church should not "elders" be also eligible for this office, it was decided. The question was referred to a special committee, and at the stage their recommendation was adopted. The finding of it is as follows:

"(1) Our Rule 52 reads: 'The moderator of the session is to be elected by the assembly in the presence of the elders and the members of the church.' It is the duty of the elders to see that the assembly is properly conducted, and to see that the members of the church are properly instructed. It is the duty of the members of the church to obey the laws of the church, and to support the elders in their work. It is the duty of the elders to see that the assembly is properly conducted, and to see that the members of the church are properly instructed. It is the duty of the members of the church to obey the laws of the church, and to support the elders in their work.

"(2) In sections 77, 79, 80, it is stated that the 'moderator' shall be elected by the assembly in the presence of the elders and the members of the church. It is the duty of the elders to see that the assembly is properly conducted, and to see that the members of the church are properly instructed. **News Of**

**PRESBYTER**

Modelaw, College of St. John's, N. B., has just completed his first session and reports a successful year.

Rev. Thomas Stewart, D.D., moved upon the work of Church of St. John's, N. B., and was elected to the office of Moderator.

Dr. J. H. MacVicar, of St. John's, N. B., preached to his former congregation of Purgus, Ont., last week. He was a commissioner to the assembly which met in Toronto, and he was elected to the office of Moderator.

The new Hungarian Church, Cape Breton, will be the property of God on June 14, by the Presbytery of Cape Breton.

This gives visibility to the work carried on among the foreign missions in Sydney for some time past, and the direction of Assembly's action.

The call from St. John's, N. B., to Rev. T. F. Campbell, will be considered at the special meeting of the Presbytery of St. John's, N. B., on Saturday, June 13.

Rev. V. M. Purdy, of St. John's, N. B., preached last Sabbath at the Methodist and Presbyterian Churches.

The annual meeting of the Presbytery will be held in the Church, Woodstock, next week. The General Assembly will be a thing of history. The elders were just a week in session on Wednesday evening, and closed on Wednesday evening, June 10.

The moderator, Dr. W. F. Purdy, in his closing remarks, stated that this assembly had recorded for the expedition work the business had been done, and that the number of members was 462, and the severe work with included both the spiritual and the temporal, and that the work was a most important and far reaching.
