showing that the Veterans at their
own expense had renovated the build-
ing and paid \$3,000 on account of the
mortgage, this leaves a balance of
\$10,000 standing as a mortgage against
the property.

The building will soon be free of

timate for the G. W. V. A.

Mr. Schofield, for a committee ap-
pointed to take up with the common
council the matter of exemption from
taxation, reported that in lieu of the
grant of \$10,000 for paying off the
mortgage the committee recommends
that the bill for taxes be accepted and
paid. On motion of Mr. Logan and
seconded by Mr. Agar, that the report
of the committee was accepted and the
committee discharged with thanks.

The election of directors for the en-
suing year then took place and the
former directors, E. A. Schofield, as
president, His Worship Mayor Hayes,
Mr. E. Agar, P. C. Beatties and G. L.
Warwick, as secretary-treasurer, were
re-elected.

A. L. Frame, secretary of the As-
sociation reported 1,140 paid up mem-
bers, while he had enrolled about
1,500.

Miss Alice Fairweather, in the ab-
sence of Miss Brock of the Y. W. P. A.,
reported that the young women's
association had equipped a kitchen-
ette in connection with the G. W. V. A.
building for the convenience of the
members. She said that the Y. W. P. A.
had raised \$700 as their share of the
fair and that the tag day receipts
amounted to \$2,468.66, which amount was
given to the G. W. V. A.

The meeting then adjourned and
board of directors then met and took
up matters in connection with the
business of the company.

A Smooth, Hairless
Skin for Every Woman

(The Modern Beauty)

With the aid of a plain delatone
paste it is an easy matter to rid the
skin of unsightly hairy growths. The
paste is made by mixing some water
with powdered delatone. This is ap-
plied to the hairs not wanted and af-
ter 2 or 3 minutes rubbed off and the
skin washed, when every trace of hair
will have vanished. When you go to
your druggist for delatone, be sure
you get the genuine article.

Ends Stubborn Coughs
in a Hurry

For real effectiveness, this old
home-made remedy has no equal.
Easily and cheaply prepared.

You'll never know how quickly a bad
cough can be conquered, until you try
this famous old home-made remedy.
Anyone who has coughed all day and
all night, will say that the immediate
relief given is almost like magic. It
takes but a moment to prepare and really
there is nothing better for coughs.

Into a 16-oz. bottle, put 2½ ounces of
Pinex (50 cents worth); then add plain
granulated sugar syrup to make 10
ounces. Or you can use clarified mol-
lasses, honey, or corn syrup, instead of
sugar syrup. Either way, this mixture
saves about two-thirds of the money
usually spent for cough preparations,
and gives you a more positive, effective
remedy. It keeps perfectly, and tastes
pleasant—children like it.

You can feel this take hold instantly,
soothing and healing the membranes in
all the air passages. It promptly loosens
a dry, tight cough, and soon you will
notice the phlegm "let" out and then
disappear altogether. A day's use will
usually break up an ordinary throat or
chest cold, and it is also splendid for
bronchitis, croup, hoarseness, and bron-
chial asthma.

Pinex is a most valuable concentrated
compound of genuine Norway pine ex-
tract, the most reliable remedy for
throat and chest ailments.

To avoid disappointment, ask your
druggist for "2½ ounces of Pinex" with
directions and don't accept anything
else. Guaranteed to give absolute satis-
faction or money refunded. The Pinex

"LIV-RITE" CURED
CARLETON WOMAN

Mrs. Ketch of Havelock Street
Found Relief—Read What
She Has to Say.

A West St. John woman, Mrs. G.
Ketch, of Havelock street, has become
one of the many who are using "Liv-
rite Tonic" and finding it a decided
help in relieving them of various in-
ternal troubles. Her letter may be
of interest to fellow sufferers:

"The Maritime Drug Co., 108 Prince
William street, City.
"Dear Sirs—I only wish I had known
of your 'Livrite Tonic' earlier. I have
just about finished my second box and
feel ever so much better. For some
time past I had been troubled with
different ailments which were telling
upon my system, and which I attrib-
ute to my liver not being in proper
working order. I was inactive about
the house, felt tired and listless, was
crowdy after eating and was generally
run down. Then someone recom-
ended your 'Livrite Tonic' and I tried it,
though I did so almost feeling that it
would do me no good. Imagine my
surprise and pleasure in finding after
taking one box that I was beginning
to feel better. I now feel convinced
that it was 'Livrite' which has made
me so improved in health and you
might please send me another box—
I shall keep it in the house as a pre-
ventative."

With so many evidences being re-
ceived of the good qualities posses-
sed by 'Livrite Tonic' there is little
hesitation in recommending it. If
your druggist can't supply you send a
dollar to the Maritime Drug Co., 108
Prince William street—Advt.

INTERNATIONAL
QUESTION CROPS
UP AT TRIAL

Halifax, N. S., Feb. 10.—(Canadian
Press)—In the local police court today
there developed an international ques-
tion as to jurisdiction.

The deputy magistrate was hearing
evidence in the case of Frank Mad-
dox, of New York, Master-at-Arms, on
the United States Army Transport
Powhatan, charged with assaulting
John Flaherty, a member of the crew
of the same ship. The deputy remark-
ed that when the information was pre-
sented and a warrant applied for, it
appeared for an offence committed
in the city and he granted the warrant.
But now it appeared that the offence,
if any, was on board the Powhatan,
a national ship. If that were so, there
was no jurisdiction to try the case in
this court. If the information was
good, however, he was bound to go
ahead with the trial until the Powhat-
an was proved to be a national ship.
Counsel for the prosecution claimed
that the defence should prove that this
was a national ship, but subsequently,
asked for adjournment, when Captain
Randall, of the Powhatan, testified
that Flaherty, the complainant, was
slated for court martial on the ship,
charged with attacking the Master-at-
Arms with a hatchet. The magistrate
discharged Maddox.

pointment! Pape's Diapepsin tastes

coming session to reimburse the deposi-
tors for their losses. A committee
was appointed to take charge of the
petition.

The sum involved is \$1,200,000.

L. F. Waldon, of Lindsay, solicitor
for the Farmers' Bank Depositors'
Committee, explained that a relief
measure, which was introduced by the
Finance Committee prior to the out-

break of the war, was passed by the
House of Commons, but was defeated
by the Senate. The matter had not
been pressed further owing to the
war. "This is not a question of a
bounty or a gift, but it is a just debt
due by the people of Canada," Mr.
Waldon declared.

W. C. Mikel, K. C., Belleville, said
this was an opportune time to bring

the matter forward again owing to
the growth of the Farmers' movement.
R. H. Halbert, M. P., former presi-
dent of the U. F. O., characterized the
Dominion Senate as a "house of re-
fuge," and expressed the belief that if
there had been no "house of refuge"
the depositors would have had satis-
faction long ago.
