

teen. Three have been added since. Bro. Barnes went to this locality early last winter to work for souls. God gave them to him, and blessed his efforts as above stated. There is an interesting and successful Sabbath-school in connection with this branch. It was received into the District Meeting at its last annual session.

Rev. B. H. Nobles was pastor of the Second and Sixth Wickham Churches until the time of last General Conference. The latter Church have had visits from Revs. J. N. Barnes and T. W. Carpenter. They report the conference and prayer meetings regularly held, with only a few to attend; also a good interest in the Sabbath-school.

The Fifth Wickham Church reports no pastor, no increase, no money.

The Clerk adds: "There are some lamentable deficiencies in the reports of this year, No remarks being forwarded with most of the reports makes it very difficult to give you much information that will assist you."

The Second Hampstead and Third Wickham Churches send no report.
