Under-Currents By The Duchess

It is in this soulless house—this place of shadows? And yet, Vera, she springs suddenly into a fuller life, and brings herself into a very upright position. "I have always said that he must turn up sooner or later. Why not now?" In some of my new lucid intervals, it has occurred to me that this cousin, this unknown quantity of ours, might prove amenable to reason. "Whose? Yours?" "Or yours rather. Think, Vera; they say that his father, that grim old man downstairs, who seems dead to a feeling, is so devoted to him that he can deny him little. This son, it appears, is the one love of that miserable, sordid life. Strange that he should have the effect of softening the iron husk that binds that poor man's soul. However, it seems to me that this cousin of ours may prove our friend, our champion, if we—well—if we like each other, don't you know?" "I don't," says Vera, in a rather uncompromising tone. "Season Dysart will never be friend or champion of mine. Have you forgotten his blood? I should not dream of asking a favour of, or even receiving one from—his father's son."

Zam-Buk Saved me a lot of money writes Mr. R. Howard, St. of Bracebridge, Ont. He continues: "Four years ago I sustained a scratch on my leg, which turned to an ulcer. I was confined to my bed for six months under doctors' treatment, during which time I did not earn a cent, and in addition, spent dollars upon dollars before a cure was effected. "Recently I sustained a scratch on my other leg. It became very inflamed and swollen, and finally turned to an ulcer. This time, however, I knew about Zam-Buk, and I acted very differently. I used Zam-Buk alone, with the result that not only was the ulcer healed in much shorter time than the previous one, but I was able to go to work all the time it was healing, and I did not lose a single day's pay. I sincerely hope that my experiences may be the means of showing other working people the great healing value of Zam-Buk and of saving many from needless expense and unnecessary suffering. "Zam-Buk is just as good for eczema and all skin diseases, ringworm, boils, piles, cuts, burns, etc. 50c box, 3 for \$1.25, all druggists, or Zam-Buk Co., Toronto. Shredded Wheat

the favorite breakfast cereal of children who are healthy and normal. It is one hundred per cent. whole wheat—nothing wasted or thrown away. The food to study on, to play on, to work on. It is ready-cooked and easy to serve without kitchen worry or bother—with milk or cream or stewed fruits

MADE IN CANADA

Are You a Bolshevik?

Bolshevism is based upon violence, relies upon force, is deaf to right or reason.

To force the bowels to move by taking castor oil, pills, salts, mineral waters, etc., is to outrage Nature and "bolshevik" the body. Because drugs act by producing irritation.

Castor oil, for instance, is so obnoxious that the bowels make frantic effort to get rid of it. Other medicines, from senna to salts, provoke action by causing the bowels to try desperately to expel them.

With such remedies therefore the removal of bowel waste is secondary and wholly incidental. Hence, the result is not to cure constipation, but on the contrary, to make it worse, more obstinate, harder to overcome.

On the other hand, Nujol is not a drug, does not act like any drug, acts mechanically, not medicinally; persuades Nature instead of forcing her.

Nujol supplies necessary moisture to soften intestinal contents and facilitates easy, thorough evacuation at regular intervals. Nujol makes the action of intestinal muscles. Nujol absorbs poisonous material.

Nujol is free from any deleterious after effects, forms no bad habits, can be used at any age, under any conditions, and overcomes constipation because it works hand in hand with Nature—with her laws, not against them.

Self-poisoning due to constipation causes over 90% of human illness. Get a bottle of Nujol from your druggist today, and send coupon for free booklet—"Thirty Feet of Danger."

Warning: Nujol is sold only in sealed bottles bearing the Nujol Trade Mark. Insist on Nujol. You may suffer from substitutes.

Everyone Should Drink Hot Water in the Morning

By all the stomach, liver, bowel poisons, before breakfast.

To feel your best day in and day out, to feel clean inside; no sour bile to coat your tongue and choke your breath or dull your head; no constipation, bilious attacks, sick headache, cold rheumatism or gassy, acid stomach, bilious attacks, sick headache, ach, you must bathe on the inside like you bathe on the outside. This is vastly more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do, says a well-known physician.

To keep these poisons and toxins well flushed from the stomach, liver, kidneys and bowels, drink before breakfast each day, a glass of hot water with a teaspoonful of limestone phosphate in it. This will cleanse, purify and fresh the entire alimentary tract, before putting more food into the stomach.

Get a quarter pound of limestone phosphate from your pharmacist. It is inexpensive and almost tasteless, is inexpensive and almost tasteless, except a sourish twinge which is not unpleasant. Drink phosphated hot water every morning to rid your system of these vile poisons and toxins; also to prevent their formation.

To feel like young folks feel; like you felt before your blood, nerves and muscles became saturated with accumulation of body poisons, begin this treatment and above all, keep it up! As soap and hot water act on the skin, cleansing, sweetening and purifying, so limestone phosphate and hot water act on the stomach, liver, kidneys, and bowels.

Grandma Never Let Her Hair Get Gray

She Kept Her Locks Dark and Glossy with Sage Tea and Sulphur

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.
