### HONDA 1000 FOR '71

The Honda "Ace 1000" carries on the tradition of the Model A Ford. The Honda's development can be likened to the Volkswagen in terms of steady development of the same basic engine and chassis. The machine's intended market and use, though, is more like the original Army Jeep. When you find a motorcycle that can be compared to what has proven to be the most reliable and just plain lovable four-wheeler, you can expect to find an enthusiastic group of owners.

## Kiwanis members hear about India

### Cooksville

Gerry Moustey 279-3528

Highlights of a varied career as student, athlete, medical worker, sailor and missionary were given to Dixie Kiwanis Club members at a recent meeting by Peter Wyckoff of the World Health Organization.

Born in India and educated in the United Kingdom, Wyckoff spoke of his early days as a medical student in Madras. He outlined various causes for present unsettling events in the Indian sub-continent and pointed out that this trouble dates back 1,000 years and more. He also recalled various highlights and experiences when he worked in the palace in Saudi Arabia. Fred Halliday thanked Wyckoff on behalf of the members and presented him with a certificate of appreciation.

### MUSICIANS

The pupils and staff of Floradale Public School were recently entertained by the T. L. Kennedy Secondary School band and choir. Band selections and choral pieces were well presented and following their performance, the musicians demonstrated the use of musical instruments in the classroom, a unique learning experience for the younger children.

### SAFETY

A traffic safety program, directed by Constable Maritan of the Mississauga police, was recently held at Floradale emphasizing rules of the road pertaining to moving vehicles - particularly bicycles. The children were allowed to practise with battery-operated cars.

The school's recent Christmas assembly featured Mr. Irwin's choir and Miss Shemett's drama class and concluded with carol singing.

The teachers' Christmas gift to their students this year was a special presentation of the Disney film, The Jungle Book.

### ROTARY

Proposed projects of the Rotary Club of Mississauga for 1972 were recently announced by community services director Fred Leslie. Assistance will be given to the Camp for the Deaf; Peel Music Festival; senior citizens; Canadian Council of Christians and Jews; Canadian Mental Health vocational center; Interact Club; Christmas party for needy children;

after school day care centers in the Cooksville and Glenforest areas; and Peel Family Services.

Vocational services director Ron Staughton announced that four functions have been organized to enhance and further the actions of the people of the community in their work in vocational areas. Two proficiency awards will be presented to outstanding secondary school students. Students interested in associated professions of guest speakers will also be invited to attend Rotary meetings when these talks are given.

The super service award will be presented each month to the person selected as having given service over and above that normally expected. Primary school awards will be given to the student selected from seven schools in the area who has shown the greatest improvement during the year.

International service director Dick Cuipa announced the World Community Service Committee is continuing its practice of finding surplus supplies and sending them to needy countries. The Youth Exchange program will select graduates and students for short-term exchange visits with Rotary clubs in other countries.

### GOURMET

A recent gourmet dinner and dance at the Cara Inn in Malton highlighted Christmas festivities for members of the Mississauga Businessmen's Society and their wives.

At the society's December meeting at the Cooksville Legion, Hensall Circle, it was announced that elections of new officers for 1972 will take place Jan. 10 when the club holds its annual meeting. The program for the new year will also be arranged at that time.

### RED OAKS

Approximately 46 children at Red Oaks School were recently entertained at their fourth annual Christmas party by the 154th Mississauga Guide Company.
