matter, next to having together which I would like
~~to~~ to do all the material which I may wish to use
in North York, but nothing that is unnecessary;
for example, number, nature and extent of Armstrong's
speeches in Parliament since 1917; how he has voted on
different motions that have real significance to the
electors; show absences from voting where they
are significant. Then regarding Burnaby, have any
speeches of his gathered and significant utterances
marked; for example, speech made in North York recently,
in Schomberg about two months ago, stating that he stood
for Farmers as a class.

Please have this material all sifted.
It will be of no service to me whatever if it covers
8-10 or 20 pages. It should be brought down to the
merest statement of essential facts.

Yours very sincerely,
