M.H. Dobie, Esq.,  
Triangle Chemical Co.,  
New Westminster, B.C.

Dear Mr. Dobie:

Many thanks for yours of the 20th instant,  
and for the information you have given me. This will be  
very valuable and there are certain portions of your letter  
I would like to quote in the House. I really cannot see  
any reason why I should not do so, but felt I should like  
to have your permission first. I have received many other  
similar letters and have asked for similar permission.

Yours very truly,
