The United Kingdom furnished these British countries with 27.9 per cent of their imports in 1921 and 29.0 per cent in 1930, while in 1921 the imports from the United States made up 38.5 per cent of their total imports, and 29.9 per cent in 1930. With regard to exports, in 1921 Canada took 16.7 per cent of their total exports, and in 1930, 18.5 per cent.
