547 Bay St. Toronto,
December 24, 1934.

My dear Sir George:

I thank you very much
indeed for your kind letter.

I want to go down to
Ottawa this week, probably for Friday or
Saturday, but ought to go down, of course,
when the Prime Minister is back as I should
report briefly to him.

We had a fine trip. Mrs.
Meighen and Lillian are not back yet. I got
restless and felt that there was more here
for me to do than there.

Yours sincerely,

Ht. Hon. Sir George Perley,
Prime Minister's Office,
Ottawa, Ont.
