OTTAWA, 2nd December, 1902.

Sir,

Mr Inspector Johnson in his report on the Lower Muncey states that the plaster of the schoolroom walls and ceiling is broken in some places, that there is a broken pane in one of the windows and that the small gate is off its hinges. The Department would like you to have these repairs made as soon as possible.

Your obedient servant,

Secretary

S. S. Sutherland Esq.

Indian Agent,
