Sir,

With further reference to your favour of the 1st instant regarding the squatting of some fishermen on an Island supposed to be a part of Firman's Island, I beg to say our surveyor, Mr. White, who was in that neighbourhood a short time ago states that he gave no permission to anyone to occupy or use any lands or islands in the Bay of Quinte nor was he approached by anyone requesting permission to occupy any island for fishing purposes.

Your obedient servant,

Assistant Deputy and Secretary.
