

Ernest Egan - I did not know this boy.

R. P. 83(b.) complied with.

1st Witness - ^{where} ~~Archie~~ van der Koput, ^{Neth.} ~~212 Martensdijkweg~~ 212 ^{Neth.} ~~Martensdijkweg~~, Martensdijk, having been duly sworn states;

I recognise the accused. I saw him Wednesday evening, 6th June 1946. He was alone. He came into the house something around 2.30 to 2.35 hrs. We drank coffee together, then we drank one small glass, went to bed at 2.50 hrs. We were on the way in a jeep. There were seven in the jeep. Jan van der Koput, Leo van der Koput, Gohann van der Koput, ~~Handrich van de Godel~~, myself, and two Canadians. I was in front next to the vehicle driving. The accused was driving. I don't know what happened then. It was not altogether dark. It was halfway to darkness. ^{and} I do not remember ^{anything} ~~any~~ vehicle after we left the house.

Ernest Egan - I was not present at an identification parade on 25th Feb 46 of Canadian soldiers. I do not remember the date but I think I was on one. I am not sure. I have a good memory. I have seen the accused since the 6 June but then I did not recognise him. My brother did not tell. I have not been talking to the witness the last time I found him changed very much, much fatter in the face. I recognise him now. He has changed. I was doubtful if it was him at the other parade. I did not know if it was him, I was doubting myself. It could not have been the other man who was driving the jeep.
