

MARTEN,
MINK,
FISHER

1. Are you of the opinion that the Government should take steps to regulate the hunting, killing and taking of these valuable fur-bearing animals?
2. If so, what would you suggest as to the Close Season for
 - (a) Mink.
 - (b) Marten.
 - (c) Fisher.
3. Would you suggest the advisability of the Government establishing further preserves for the propagation of these fur-bearing animals?

Possession of Fire Arms and Automatic Shot Guns

1. Are you in favor of the prohibition of the use of Automatic or Machine Shotguns whether for shooting big game or feathered game?
2. Are you in favor of legislation being introduced prohibiting the possession of any firearm in any lumber camps?
3. Are you in favor of the prohibition of the carrying of firearms where big game exists during the whole of the close season for big game?

N.B.—The above question has been inserted at the request of an old hunter and trapper and professional guide, who states that, in his opinion, there is no danger whatever to any person by way of the attack of any wild animal in our Province.

Frogs

1. If in your district there are good Frog Marshes, which, from overhunting for Frogs and the exportation of the same to the United States have almost become depleted have you any recommendation to make as to either the prohibition of the export of frogs or any other method by which their over-killing might be stopped?
2. You must bear in mind that young frogs are a part of the food supply of Bass and Maskinonge.

Distinctive Badge

The Constitution and by-laws, Page 4, provides as follows:—

"A distinctive small badge shall be furnished to the members of the Association to be worn conspicuously, as far as possible, when afield."
