

Rambler Bicycles

Are without a doubt the finest type of **High Grade Bicycles** ever produced in this or any other country. The **Highest Bicycle Honours** at the World's Fair were awarded to **Ramblers**. Eighteen years' experience in high grade bicycle building is a guarantee which should amount to something.

Fitted with the Great

G. & J. TIRES

Which Give no Trouble. They have reached the Height of Perfection.

The **Great G. & J. Tire**, used on all **Ramblers**, costs more than other Tires at first, but in the end is much the cheapest. A novice can repair it (in case of a puncture) in a few minutes, and cannot possibly put it on wrong.

We give choice of Popular Saddles and Tool Bags with all **Ramblers**.

Men's Model—Four Styles.

Ladies' Model—Single Bar, Popular Style, giving plenty of Skirt Room, and Easy to Mount.

Ladies' Model—Double Braced Frame.

Men's Tandem—Roadsters and Racers.

Combination Tandem.

Handsome Booklet of **Ramblers** telling all about them free on application.
