THEY FELT HURT

A lad, living on Duke St., gave a birthday party last night. Some of the neighboring children were invited and some were not. This caused trouble. The "were nots" got angry and created a disturbance. Ex-Ald. Henry Weaver drove the disturbers away once, but they came back. The father of the birthday party boy then went out and captured one of the "uninviteds." The mother of the party boy reported the matter to the police and P. C. Darr went up to interview the disturbers to-day.

HEALTHY LUNGS

Depend Upon Rich, Red Blood—Poor Blood Means Weak Lungs and Fatal Consumption.

Every drop of blood in the body must go through the lungs. That is why the lungs are helped and healed, and strengthened with the great blood-builder, Dr. Williams' Pink Pills. They fill the veins with pure, rich, red blood that gives health and vigor to weak lungs. That is the way Dr. Williams' Pink Pills brace the lungs to throw off bronchitis and heavy colds. That is the way Dr. Williams' Pink Pills build up the lungs after an attack of grippe or pneumonia. That is the way Dr. Williams' Pink Pills have saved hundreds in Canada from consumptive graves. No other medicine does this work so speedily and so well. Mrs. Jane A. Kennedy, Douglastown, Que., says: "My sister, a young and delicate girl, took a severe cold when about seventeen years old. Nothing we did for her seemed to do any good, and we feared she was going to die of consumption. Often after a bad night, I would get up early to see if she had spit blood during the night. A friend strongly urged me to give her Dr. Williams' Pink Pills, and she recovered her health. Under the continued use of the Pills she is now well and strong."

Make weak lungs strong, but they cure all troubles arising from a poor or deficient blood supply, such as anemia, indigestion, rheumatism, neuralgia, general weakness, St. Vitus' dance, headaches and backaches, kidney troubles, palpitation of the heart, and the special secret ailments of young girls and women. Insist upon the genuine with the full name "Dr. Williams' Pink Pills for Pale People" on the wrapper around each box. Sold by medicine dealers everywhere, or by mail at 50 cents a box, or six boxes for \$2.50, by writing The Dr. Williams' Medicine Co., Brockville, Ont.

GOOD WORKERS

All of which goes to show that this year's Council is composed of a good lot of workers.
