

We will conclude our Report by giving some reasons why every Land Surveyor in the Province should become a Member of our Association.

1. By becoming a Member you will have through the Association and its Committees a channel by means of which you can convey to the profession your views on anything affecting said profession, and become acquainted with the opinions of other Members.

2. The volume of Proceedings published annually will alone be worth to you more than your yearly fee, which is placed at such a figure as merely to cover cost of publication of Report and necessary expenses of Association.

3. You will receive through our Association copies of Proceedings of several State societies of surveyors and civil engineers, making in all several hundred pages of the cream of professional literature.

4. To the very clever surveyor we would say that you will undoubtedly become a "crank" unless you occasionally rub up against your professional brethren and get the "corners" polished off. To the "rusty" brother, we think there is probably no better way of brightening you up than by joining what we are confident is the permanent organization of the "Association of Provincial Land Surveyors of Ontario."

Signed on behalf of the Provisional Executive Committee.

WILLIS CHIPMAN.
