RULES

1. The official ballots will be published in Farm and Dairy once, on January 29, 1914. Extra copies of this issue cannot be sent, since this Referendum is for Farm and Dairy readers only.

2. There will be a woman's ballot and the wives, mothers and any women 21 years of age may vote as well as the men 21 years of age.

3. Each question should be answered simply by writing "Yes" or "No" after the question.

4. The ballot will be absolutely secret. Readers must sign the ballot otherwise it will be rejected as a spoiled ballot. No names however, will be published. No only the total numbers voting "Yes" or "No" on the question.

5. The ballot should be mailed to "Referendum, Farm and Dairy, Peterboro, Ont." as soon after January 29 as possible.

& Letters to Farm and Dairy are invited dealing with any of the questions in the Referendum. Letters opposing Farm and Dairy's policy are just as welcome and will be published just as freely as those in favor, but all letters should be as short as possible.

AN EDUCATIONAL CAMPAIGN
 While we are anxious for as large a response as possible, the educational effect of the Referendum is still more important than the actual voting. Our folks will be able to study all these questions through the columns of Farm and Dairy during the next few weeks, and make up their minds calmly and deliberately, free from outside influences, such as party leaguers or the personality of particular candidates. No one knows everything. There is a splendid chance for us to learn more about them from each other.
