More Than Lump Jaw

FLEMING'S LUMP JAW CURE

A remedy that will readily cure advanced cases of Lump Jaw without even leaving a scar, will certainly do many other important things. Fleming's Lump Jaw Cure is positively guaranteed to remove all lumps or swellings from either horses or cattle. It cures Spavins, Curb, Splint, etc. Price \$2, or three bottles for \$5. Sent prepaid by mail, if not at your druggists.

St. George, July 20th, 1900.
FLEMING BROS., Chemists.—One application of Lump Jaw Cure was all that I required to remove the growth from the jaw of my animal. It has not even left a scar, the hair having grown again all over where applied. I can thoroughly recommend it to all stockmen.
WILLIAM MCCORMICK.

RAZOR STEEL
MADE IN U.S.A.
THIS CHALLENGE OPEN TO THE WORLD

WE take pleasure in offering to the public a saw manufactured of the finest quality of steel, and a temper which toughens and refines the steel, gives a keener cutting edge and holds it longer than by any process known. A saw to cut fast "must hold a keen cutting edge."

This secret process of temper is known and used only by ourselves.

These Saws are elliptic ground thin back, requiring less set than Saws now made perfect taper from tooth to back.

Now, we ask you, when you go to buy a Saw, to ask for the Maple Leaf, Razor Steel, Secret Temper Saw, and if you are told that some other Saw is as good, ask your merchant to let you take them both home, and try them, and keep the one you like best.

Silver steel is no longer a guarantee of quality, as some of the poorest steel made is now branded silver steel. We have the sole right for the "Razor Steel" brand.

It does not pay to buy a saw for one dollar less, and lose 25 cents per day in labor. Your saw must hold a keen edge to do a large day's work.

Thousands of these Saws are shipped to the United States and sold at a higher price than the best American Saws.
